Preface	xxi
Acknowledgments	xxiii
CHAPTER 1	
Fraud: An Introduction	1
Fraud: What Is It?	2
Fraud: Prevalence, Impact, and Form	3
Fraud in Historical Perspective	4
Types of Fraud	5
Root Causes of Fraud	6
A Historical Account of the Auditor's Role	7
Auditing: Ancient History	7
Growth of the Auditing Profession in the Nineteenth Century	8
Federal and State Securities Regulation Before 1934	9
Current Environment	11
Auditors Are Not Alone	14
Deterrence, Auditing, and Investigation	16
Conceptual Overview of the Fraud Deterrence Cycle	17
Corporate Governance	17
Transaction-Level Controls	18
Retrospective Examination	18
Investigation and Remediation	19
First Look Inside the Fraud Deterrence Cycle	19
Corporate Governance	19
Transaction-Level Controls	20
Auditing and Investigation	22
CHAPTER 2	
Psychology of the Fraudster	25
Calculating Criminals	26
Case 1: "It Can't Be Bob"	27
Situation-Dependent Criminals	27
Power Brokers	28
Fraudsters Do Not Intend to Harm	28
Case 2: "For the Good of the Company"	29
Case 3: Personal Catastrophes	29
Case 4: An Educated, Upstanding Citizen	30
Kinds of Rationalization	33

Auditors' Need to Understand the Mind of the Fraudster	33
Conclusion	34
CHAPTER 3	
The Roles of the Auditor and the Forensic Accounting Investigator	37
The Patrolman and the Detective	38
Complexity and Change	41
Auditor Roles in Perspective	42
Not All Good People	44
Each Company Is Unique	45
Role of Company Culture	45
Estimates	46
Choices	49
What Auditors Do	50
Fraud versus Error	50
Reasonable Assurance	51
Materiality	53
Bedrock of an Effective Audit	55
Professional Skepticism	55
Knowledge and Experience	56
Independence and Objectivity	56
SPADE	57
Auditing Standards Take a Risk-Based Approach to Fraud	58
Management Override	60
Regulatory Reaction to Fraud	60
Financial Benefits of Effective Fraud Management	61
Conclusion	61
CHAPTER 4	
Auditor Responsibilities and the Law	63
Appendix: Summary of PCAOB Matters Involving Detection of Fraud	77
CHAPTER 5	
When and Why to Call in Forensic Accounting Investigators	79
Today's Auditors Are Not Forensic Accounting Investigators	80
Auditors Are Not Authenticators	80
Auditors Have Limited Exposure to Fraud	81
Auditors Are Not Guarantors	82
Historically, Audits May Have Been Predictable	83
Potential Trigger Points of Fraud	84
Reliance on Others	91
Conclusion	92
CHAPTER 6	
Internal Audit: The Second Line of Defense	95
What Do Internal Auditors Do?	96
Internal Audit Scope of Services	98
The Handoff to Forensic Accounting Investigators and Legal Counsel	99

Perception Problem	101
Complex Corporate Fraud and the Internal Audit	102
WorldCom and the Thornburgh Report	102
Case Studies: The Internal Auditor Addresses Fraud	103
No Segregation of Duties—and a Very Nice Car	104
Odd Transportation System	105
A Tragic Circumstance	105
How Many Lunches Can You Buy?	106
Making the Numbers Look Right	106
How Not to Earn a Bonus	107
A Classic Purchasing Fraud	108
The Loneliness of the Internal Auditor	109
Hitting the Jackpot in the Gaming Industry	110
Reporting Relationships: A Key to Empowering Fraud Detection	111
Tomorrow's Internal Auditor, Tomorrow's Management and Board	113

CHAPTER 7

Teaming with Forensic Accounting Investigators 115

Forensic Accounting Investigators' Cooperation with Internal Auditors	117
Internal Audit's Position and Function	117
Resource Models	118
Working Together	119
Forensic Accounting Investigators' Cooperation with External Auditors	120
Client History	120
The External Auditor in Today's Environment	121
Objectives of All Interested Parties	122
Forensic Accounting Investigators' Objectives	122
Objectives of Other Parties to the Investigation	123
How Should the Investigation Objectives Be Defined?	125
Who Should Direct the Investigation and Why?	126
Ready When Needed	127
Where to Find Skilled Forensic Accounting Investigators	127
Internal Audit	127
Engaging External Forensic Accounting Investigators	128
Accounting and Auditing Firms	129

CHAPTER 8

Anonymous Communications 133

Typical Characteristics of Anonymous Tips	134
Federal Statutes Related to Anonymous Reporting and Whistle-Blower Protections	135
Receipt of an Anonymous Communication	139
Initial Understanding of Allegations	140
Determine Whether Any Allegation Requires Immediate Remedial Action	141
Development and Implementation of the Investigative Strategy	142

The Investigation Team	142
Disclosure Decisions	143
Prioritize the Allegations	144
Interviewing Employees	145
Follow-Up Tip	149
Conclusion	150

CHAPTER 9

Personal Privacy and Public Disclosure 151

Introduction	151
Data Privacy: Providing Context	152
Data Privacy in the United States	153
Relevant Sector-Specific Privacy Protections	154
Breach Notification	157
Electronic Discovery	157
Data Privacy in the European Union	158
Introduction	158
France	160
Germany	161
The United Kingdom	162
Navigating the Legal Differences Between the United States and the European Union	162
Works Councils and Whistle-Blowers	163
Cross-Border Data Transfers	163
Elsewhere around the Globe	165
Latin America	166
Asia Pacific	167
Public Disclosure	168
The Freedom of Information Act	168
Other U.S. Federal Governmental Agency Information	171
U.S. State Disclosure Laws	172
International Disclosure Laws	172
Conclusion	173

CHAPTER 10

Building a Case: Gathering and Documenting Evidence 175

Critical Steps in Gathering Evidence	176
Considerations at the Time of Retention	176
Document Retention Considerations	177
Planning Considerations	177
Creating a Chain of Custody	178
Whose Evidence Is It?	182
Evidence Created by the Forensic Accounting Investigator	183
Working Papers	183
Reports	184
What Evidence Should Be Gathered?	185
Investigations of Vendors	185
Investigations of Foreign Corrupt Practices Act Violations	185

Investigations of Improper Related-Party Activity	185
Investigations of Employee Misappropriations	186
Investigations of Specific Allegations	186
Investigations of Financial Statement Errors	186
Important Considerations Regarding Documents and Working Papers	186
Conclusion	189

CHAPTER 11

Independence, Objectivity, Skepticism 191

Accountant's Independence	192
SEC Final Rules for Strengthening Auditor Independence	192
SEC Regulation of Forensic Accounting Services	193
Consulting versus Attest Services	196
Integrity and Objectivity	198
Independence Standards for Nonattest Services	198
Professional Skepticism	199
Trust but Verify: A Case Study	200
Trust but Verify: Exploring Further	203
Loose-Thread Theory of Auditing	207
Further Thoughts on the Loose-Thread Theory	210

CHAPTER 12

Potential Missteps: Considerations When Fraud is Suspected 213

Confronting Suspects	213
Dismissing the Target	216
Assumptions	217
The Small Stuff Could Be Important	221
Materiality: More on a Key Topic	223
Addressing Allegations	224
The Case of the Central American General Manager	225
Exercising Skepticism	228
Case Outcomes	229

CHAPTER 13

Potential Red Flags and Fraud Detection Techniques 231

Types of Fraud Revisited	232
Fraud Detection: Overview	233
Laying a Foundation for Detection	236
Assessing the Risk of Fraud	236
Fraud Risk Factors	237
A Word on Information Technology	238
Interpreting Potential Red Flags	238
Importance of Professional Skepticism	240
Revisiting the Fraud Triangle	243
Incentive and Pressure	244
Opportunity	245
Rationalization and Attitude	246
Identifying and Evaluating Risk Factors	248

Discussion among Audit Team Members	249
Information Gathering	251
Other Sources	254
Analytic Procedures	254
Current Company Data versus Company Data from Prior Periods	257
Company Data versus Company Budgets, Forecasts, or Projections	257
Company Data versus Industry Data or Comparable	
Company Data or Both	258
Company Financial Data versus Company Operational Data	258
Company Data versus Auditor-Determined Expected Results	258
Analytic Techniques	258
Assessing the Potential Impact of Fraud Risk Factors	260
Evaluating Controls	261
Addressing the Identified Fraud Risks	263
Unpredictable Audit Tests	263
Observation and Inspection	264
Financial Statement Fraud: Detection Techniques	266
Revenue Recognition	267
Corruption	268
Summary	269

CHAPTER 14

Investigative Techniques

271

Timing	271
Communication	272
Early Administrative Matters	272
Predication	273
Responding to Regulatory Action	273
Difficulties in Financial Reporting and Information and Disclosure	274
Issues Involving Customers or Vendors	274
Matters Relating to the Foreign Corrupt Practices Act	274
Lifestyle	274
Anonymous Tips	274
Conflicts of Interest	275
What Should You Know before You Start?	275
Gaining an Understanding	275
Gathering and Securing Information	277
Coordination	279
Other	280
A Word about Insurance	281
Exceptions and Other Considerations	282
Considerations on International Assignments	283
Accounting Issues	285
Data Analysis	286
Document Review	286
ComQuest	287
CPA Services	288
How to Read a Check	288

Airline Tickets	290
Conclusion	291
CHAPTER 15	
Corporate Intelligence	293
Definition of Corporate Intelligence	293
Evolution of Corporate Intelligence	294
Today's Business Need	297
Legal and Regulatory Drivers of Corporate Intelligence	297
Federal Sentencing Guidelines: Due Diligence and Vicarious Liability	298
Anticorruption and Counterfraud Laws and Regulations	299
Anti-Money Laundering and Financial and White Collar Crime Legislation	301
Cost Drivers of Corporate Intelligence	301
Reduced Monetary Penalties	302
Cost of Failed Corporate Actions and Strategic Relationships	302
Negotiation Drivers of Corporate Intelligence	303
Triggers	303
Basic Deployment and Consumption of Corporate Intelligence	304
Background Information and Questionnaire Process	305
Customary Data Fields Necessary to Fulfill Corporate Intelligence Remits	306
Individuals	306
Entities	306
Analysis and Reporting of Findings	307
Coordination and Selection of Management and External Advisors for Intelligence Gathering	307
Timing of Deployment	308
Limitations of and Inherent Barriers to Corporate Intelligence	308
Misguided Assumptions Regarding Database and Electronic Research	309
Marginal Treatment of Corporate Intelligence Advisors	309
Pressures on Corporate Intelligence Teams	310
Legal Parameters and Operating Constraints versus Enabling Legislation	310
The U.S. Economic Espionage Act	310
Telephone Records and Privacy Protection Act of 2006: Anti-Pre-Texting Legislation	311
Privacy Laws and Initiatives	311
Enabling Legislation and Regulation	313
Ethical Debates Surrounding Corporate Intelligence	313
Summary	315
CHAPTER 16	
The Art of the Interview	317
Difficulty and Value of Obtaining an Admission	318
Planning for the Interview	319

Types of Interviews	321
The Information-Seeking Interview	321
The Admission-Seeking Interview	322
Others May Wish to Attend Interviews	325
Interview Process	326
Documenting the Interview	330
Use of Subterfuge	331
Summary	331

CHAPTER 17

Data Mining 333

Definition and Benefits of Data Mining	334
Structured versus Unstructured Data	335
Planning	335
Develop Preliminary List of Analyses	336
Understand Availability of Data	337
Understanding Available Data Sources	337
Defining Data Sets to Target for Acquisition	338
Considering Data Availability Challenges	339
Methods of Data Acquisition	340
Structured Data Analysis	341
The Data Collection Stage	341
The Assessment Stage	342
The Preparation Stage	344
The Analysis and Reporting Stage	346
Unstructured Data	352
Types of Unstructured Data	352
Collection of Unstructured Data	355
Analysis of Unstructured Data	357
Advanced Data Analysis Tools	358
Data Visualization	359
Concept Searching	359
Conclusion	360
Technological Advances in IT Systems and Communications	
Technology	361
Advances in Data Mining and Fraud Detection Technologies	361

CHAPTER 18

Report of Investigation 363

Types of Reports	364
Importance of Adequate Preparation	364
Standards of Reporting	365
AICPA Consulting Standards	365
ACFE Standards	367
The Written Report of Investigation	368
Basic Elements to Consider for Inclusion in a Report of	
Investigation	369
Summarizing Your Findings	371

Written Report of Expert Witness Opining for the Plaintiff on a Civil Fraud Claim	371
Affidavits	374
Informal Reports	374
Giving a Deposition	376
Be Prepared	376
It's <i>Your</i> Deposition	377
Objectives of a Deposition in Civil Litigation	377
You Are Being Measured	377
Reviewing Your Deposition Transcript	378
Other Considerations	379
Mistakes to Avoid in Reporting	380
Avoid Overstatement	380
Avoid Opinion	380
Identify Control Issues Separately from Investigative Findings of Fact	380
Use Simple, Straightforward Language Focused on the Facts	381
Avoid Subjective Comments	381
Working Papers	382
Signed Engagement Letter	382
Relationship Review	384
Substantive Working Papers	384
Each Working Paper Should Stand on Its Own	384
Testimony Binder	386
Interview Memorandums	386
CHAPTER 19	
Supporting a Criminal Prosecution	389
Key Considerations	390
Deterrent Effect of Appropriate Response	390
U.S. Sentencing Commission Guidelines	390
Expense and Possible Outcomes	392
Referrals for Prosecution May Attract Public Attention	392
Referral Considerations	393
Refer the Matter to State, Local, or Federal Prosecutors?	394
Prosecutors Must Prioritize Cases	394
Forensic Accounting Investigator May Increase the Success of a Referral	395
Reputational Benefits	396
Plea Agreements	397
Filing a Civil Lawsuit	397
CHAPTER 20	
Working with Attorneys	399
In the Company of Lawyers	399
Confidentiality Requirements	400
Forming the Investigative Team	401
Documentation	407

Civil Litigation	408
Interviewing	408
External Audit Firm	409
Working for or Interacting with Law Enforcement or Government Agencies	412
Disagreements with Counsel	413
Conclusion	414

CHAPTER 21

Financial Reporting Fraud and the Capital Markets 417

Targets of Capital Market Fraud	418
Securities Investment Model	419
Overview of Financial Information and the Requirement to Present Fairly	420
Overview of Fraud in Financial Statements	423
Accounting Irregularities as an Element of Financial Fraud	426
Some Observations on Financial Fraud	429
Fraud from Within	429
Summary	430

CHAPTER 22

Financial Statement Fraud: Revenue and Receivables 433

Improper Revenue Recognition	435
Timing	436
Revenue Recognition Detection Techniques	438
Analytical Procedures to Identify or Explore Potential Revenue	
Red Flags	440
Side Agreements	441
Liberal Return, Refund, or Exchange Rights	442
Channel Stuffing	444
Bill-and-Hold Transactions	445
Early Delivery of Product	447
Partial Shipments	449
Contracts with Multiple Deliverables	449
Improper Allocation of Value in Multiple-Element Revenue	
Arrangements	450
Up-Front Fees	451
Improper Accounting for Construction Contracts	452
Related-Party Transactions	453
Revenue and Receivable Misappropriation	455
Revenues	456
Receivables	458
Fictitious Sales	458
Possible Red Flags for Fictitious Receivables	459
Lapping	459
Redating	460
Inflating the Value of Receivables	460
Extended Procedures	461

Round-Tripping	463
Improperly Holding Open the Books	464
Consignments and Demonstration Goods	465
Summary	466

CHAPTER 23

Financial Statement Fraud: Other Schemes and Misappropriations 467

Asset Misstatements	467
Inventory Schemes	467
Investment Schemes	471
Recording Unrealized Declines in Fair Market Value	474
Manipulating Cash Balances	474
Recording Fictitious Fixed Assets	475
Depreciation and Amortization	475
Hanging the Debit	476
Software Development Costs	476
Research and Development Costs	476
Start-Up Costs	477
Interest Costs	477
Advertising Costs	477
Understatement of Liabilities and Expenses	478
Backdating Share Options	479
Off-Balance-Sheet Transactions	480
Two Basic Accounting Models	481
Cookie Jar Reserves	482
Improper and Inadequate Disclosures	483
Materiality	484
Disbursement Schemes	485
Invoice Schemes	486
Check Tampering	489
Expense Reimbursement Schemes	490
Payroll Schemes	491
Fraud in an Economic Downturn	492
Unauthorized Trading	492
Mortgage Fraud	494

CHAPTER 24

Ponzi Schemes 495

Ponzi Scheme Origin and Development	495
Basic Framework of a Ponzi Scheme	496
Types of Ponzi Schemes	496
Spotting a Ponzi Scheme: Common Attributes	497
Recent Spotlights	497
Ponzi Schemes in the United States	497
The Bennett Funding Group, Inc.	498
Thomas J. Petters	498
Bernard Madoff	499
Stanford International Bank	500

Global Ponzi Schemes	500
Albanian Ponzi Schemes	501
Hoffland Finance	502
Forum Filatelico and Afinsa Bienes Tangibles	502
Cash Plus	503
Insights into Ponzi Schemes: Passing Trend or Lasting Reality?	503
Why Are They Popping Up More Now?	505
Ten Red Flags that You May Be Investing in a Ponzi Scheme	505
Lessons Learned	506
Accountant's Challenges	507
Regulatory Bodies and Task Forces	508
Regulatory Response	508
Bankruptcy Implications	509
Clawback Rules	510
Summary	510

CHAPTER 25

Money Laundering

511

Relationship between Fraud and Money Laundering	511
Placement	513
Layering	513
Integration	513
Counter-Terrorist Financing	514
Varying Impact of Money Laundering on Companies	515
The Five-Point Program for AML-Regulated Businesses	516
Written Compliance Program	516
Minimum Standards of Customer Due Diligence	516
Activity Monitoring and Reporting	518
Training	518
Record Keeping	518
Impact of Money Laundering on Financial Statements	520
AML and Forensic Accounting Investigation	521
At the Request of the Regulator	521
At the Request of the Institution	521
Review of Transactions and Records	522
Decision Making	522
The AML Reporting Process	522
Corporate Culture and AML Corporate Governance	523
Legal Arrangements Lending Themselves to Anonymity	523
Auditing and Money Laundering	524
Relationship between Fraud Investigation and AML	525

CHAPTER 26

Foreign Corrupt Practices Act

527

Background	527
Antibribery Provision	527
Books and Records Provision	529
Internal Control Provision	529

Recent Enforcement Trends	530
Larger Penalties	530
Cases against Individuals	531
Open Investigations and Self-Reporting	532
Use of More Creative Methods in Resolution of Criminal Charges (NPA, DPA)	533
Imposition of a Monitor	533
Cooperation with Foreign Regulators and Other U.S. Regulatory Bodies	534
Disgorgement	535
Increased Scrutiny over the Acts of Others	535
U.K. Bribery Act 2010	536
The Role of the Forensic Accountant	537
Corruption Risk Assessments	537
FCPA Compliance Programs	537
Conduct Transnational Forensic Investigations	538
Provide Enhanced Due Diligence and Business Intelligence	541
Design and Conduct Global Anticorruption Training	542
Assist Independent Anticorruption Program Monitoring Agents	542
Red Flags	542
Cash Payments	542
Unusually High Commission	542
Consultants	543
Freight Forwarders and Custom Clearing (C&F) Agents	543
Payments Directed by Third Parties	543
Overseas Payment Arrangements	544
Delegate Travel	544
Politically Connected Third Parties	544
Business in Red Countries	545
So-Called Facilitation Payments	545
Reporting	545
Conclusion	546

CHAPTER 27

Construction Projects	547
The Nature of the Construction Industry	547
A Typical Construction Project	548
Contract Pricing Strategy	550
Fixed Price Contracts	550
Cost-Plus Contracts	551
Unit Price Contracts	551
Guaranteed Maximum Price Contracts	552
Time and Materials Contracts	552
Turnkey Contracts	553
Private Finance (DBFO, BOT, PFI, PPP)	553
Standard Form Contracts	554
The Construction Litigation Team	555
Bar Charts and Critical Path Analysis	556

Affected Plan Method	557
As-Built Method	557
Plan V As-Built Method	558
Time Impact Analysis	558
Issues in Analysis	559
Change Orders	560
Provisional Sums	561
Financial Damages	561
Overheads	563
Loss of Profit	565
Increased Cost of Working	566
Finance Charges and Interest	566
Underbid	567
Inflation	567
Analysis of Claims	567
Summary	569
CHAPTER 28	
Contract Compliance	571
Effective Integrated Internal and External Contract Compliance Program	572
Contract Portfolio Risk Assessment	573
Consistent Business Partner Communication	573
Incorporate Contract Terms that Improve Compliance	574
Robust Outside Contract Examination Program	576
The Role of the Forensic Accountant	576
Government Contracting	578
Risk and Compliance	578
Recovery	579
Crisis Management and Litigation Support	581
CHAPTER 29	
Other Dimensions of Forensic Accounting	585
Environmental Issues	586
Intellectual Property	586
Insurance and Business Interruption	587
Marital Dissolution	588
Shareholder Litigation	588
Business Valuation	589
Business Combinations	589
Cybercrime	590
CHAPTER 30	
Corporate Remediation	593
What Is Remediation?	593
What Is Driving Corporate Remediation?	594

Contents

xix

Why Is Remediation Necessary?	597
How to Remediate	599
Role of the Forensic Accountant	603
Recent Cases	605
Remediation Going Forward	607
