**List of Tables, Figures, and Exhibits / xi**

**Contents of the Website / xiii**

**Introduction / 1**

**Chapter 1 The Driver / 11**

Why Organizations Certify / 11

Protecting the Public / 12

Reinforcing Professional Stature and Promoting Universal  
Standards / 13

Preparing People for Jobs Requiring Competence in Multiple  
Disciplines / 14

Protecting Jobs and Enhancing Professional Stature / 15

Improving Business Processes / 16

Establishing Professional Credibility and Influencing Academic  
Curricula / 18

Establishing Uniform Performance Standards / 18

Protecting the Brand Name / 19

Raising the Level of Core Competencies / 20

Success Measures / 21

Who to Involve / 21

The Players / 21

Target Audience / 22

Stakeholders / 22

Benefits of Certification / 25

Missteps and Oversights / 26

Tips / 27  
Summary / 30  
Where to Learn More / 31  
Notes / 32

## **Chapter 2 The Business Case / 33**

What Goes into a Business Case / 34  
Hypotheses, Premises, and Best Guesses / 36  
Metrics or Key Success Indicators / 37  
    Economic Metrics / 39  
    Noneconomic Metrics / 42  
The Requirements / 43  
Missteps and Oversights / 43  
Tips / 44  
Summary / 48  
Where to Learn More / 50  
Note / 51

## **Chapter 3 The Requirements / 53**

Distinctions Among Eligibility, Qualification, and Certification / 53  
Roles Certification Plays / 54  
    Gatekeeping or Screening / 54  
    Recognizing Demonstrated Performance / 57  
    Recognizing Different Levels of Accomplishment or Different Capabilities / 57  
Typical Requirements for Certification / 58  
    Acceptance of a Code of Conduct / 61  
    Eligibility / 61  
    Education, Training, and Development / 65  
    Endorsements / 67  
    Experience / 67  
    External Credentials / 69  
    Tests / 69  
    Work Samples / 72  
    Work or Personnel Records / 72  
    Maintenance and Recertification / 73  
Missteps and Oversights / 74  
Tips / 74  
Summary / 76  
Where to Learn More / 77  
Notes / 78

**Chapter 4 The Standards / 79**

- Competencies, Standards, and Criteria / 81
- Defining the Scope of the Effort / 85
- The Job or Task Analysis / 89
  - Traditional Job/Task Analysis Methodologies / 89
- Controlling Bias / 91
  - Sampling Error / 92
  - Design Error / 95
  - Administrative Error / 109
- Design of the Credential / 111
  - Certification vs. Certificate / 111
  - The Elements / 114
- Missteps and Oversights / 115
- Tips / 116
  - Standards / 118
  - The Design / 119
- Summary / 119
- Procedures / 121
  - Focus Groups / 121
  - The NGT / 122
  - Outcome-Based Competency Session / 123
  - Delphi Study / 124
- Where to Learn More / 125
- Note / 126

**Chapter 5 Assessment / 127**

- Definitions / 127
- Rigor and Validity / 130
  - Sampling Error / 131
  - Under-Representation / 131
  - Extraneous Abilities / 132
  - Test Specifications / 133
  - Design Errors / 134
  - Administrative Error / 136
- Types of Test Items / 137
  - Response-Supplied Items / 137
  - Response-Not-Supplied Items / 138
- Computer-Based Testing / 141
- Determining the Passing Score / 142
  - Informed Judgment Method / 143
  - Contrasting Group Method / 143

Conjectural (Angoff-Nedelsky) Method / 145  
Issues in Assessment and Testing / 146  
Opportunity to Learn / 146  
Adequate Time and Resources / 147  
Face Validity / 147  
Documentation / 148  
Missteps and Oversights / 148  
Tips / 149  
Summary / 155  
Where to Learn More / 161

## **Chapter 6 Governance and Administration / 163**

Responsibilities of the Governance Board / 163  
Candidate Rights / 165  
Disclosure / 165  
Appeals and Exemptions / 167  
Preparation and Remediation / 169  
Ethics / 170  
Fees and Compensation / 170  
Test Administration / 174  
Responsibilities of the Program Administrator / 175  
Establishing Administrative Support Systems / 176  
Analyzing Test Items / 177  
Missteps and Oversights / 178  
Tips / 179  
Summary / 187  
Where to Learn More / 190  
Notes / 191

## **Chapter 7 Recertification and Maintenance / 193**

Stability of Enabling Knowledge / 194  
Distinguishing Between Knowledge Atrophy and Knowledge  
Evolution / 195  
Defining the Purpose of Recertification or Maintenance / 198  
Redoing the Job/Task Analysis / 199  
Timing the Requirement / 200  
Missteps and Oversights / 201  
Tips / 201  
Summary / 203  
Where to Learn More / 205

## **Chapter 8 Implementation / 207**

The Marketing Strategy / 208

---

- Defining the Market / 209
- Branding the Credential / 210
- Launching the Credential / 211
- Rolling Out the Credential and Penetrating a Market / 212
- Developing and Executing a Communication Plan / 213
- Developing Effective Program Materials / 214
- Celebrating Success / 215
- Missteps and Oversights / 216
- Tips / 217
- Summary / 220
- Where to Learn More / 220

## **Chapter 9 Going Global / 221**

- Distinctions Among National, International, Global, and Multi-National Programs / 221
- Why Go Global or International? / 224
- Determining Reciprocity, Equivalence, and Exemptions / 225
- Safeguarding Against Fraud or Misrepresentation / 226
- Cultural Issues / 227
- Language and Translation / 227
- Missteps and Oversights / 229
- Tips / 230
- Summary / 230
- Where to Learn More / 233
- Note / 233

## **Chapter 10 Evaluation / 235**

- Developing an Evaluation Strategy / 235
- Defining Evaluation Processes / 236
- Determining What to Measure / 237
- Determining Where to Start / 238
- Being Clear About Your Purpose / 242
- Developing an Agenda / 244
- Presenting Your Data / 244
- Missteps and Oversights / 246
- Tips / 247
- Summary / 248
- Where to Learn More / 251
