Introduction	1
The Challenge of Training Measurement	1
Need for New Measurement Models	3
Structure of This Book	6
Methodology for This Research	9
A Personal Comment	10
Chapter 1: General Principles of Training Measurement	13
1. Measurement Should Deliver Actionable Information	13
2. A Measurement Program Should Not Be Designed to Cost-Justify Training	20
3. Measure Training as a Support Function	22
4. A Measurement Program Must Meet the Needs of Multiple Audiences	26
5. Measurement Should Be a Process, Not a Project	27
6. The LMS Is a Foundation for Measurement	31
7. Dedicate Resources	33
8. Start Simply and Evolve Over Time	34
Chapter 2: The Pros and Cons of Using ROI	37
ROI Analysis Assumes That Training Is Treated as an Investment	38
In-Depth ROI Measurements Are Often Difficult to Believe In Concept, the ROI of Training Should Be Extraordinarily High	44
It is Very Difficult to Correlate Outcomes Specifically to Training	46

How Do You Make ROI Actionable?	48
Use of “Potential ROI” During Performance Consulting	48
“Performance-Driven” Versus “Talent-Driven” Training	50
Don’t Let ROI Become “Return on Insecurity”	53
Chapter 3: Limitations of the Kirkpatrick Model	57
The Kirkpatrick Levels Are Not a Complete Model	58
The Model Incorrectly Positions the Levels as a Hierarchy	62
The Kirkpatrick Model Ignores the Role of Training as a Service-Delivery Function	63
Kirkpatrick Misses Other Operational Measures	66
One Alternative: The Six-Sigma Approach to Measurement	68
Another Alternative: The Success Case Method™	68
Chapter 4: The Impact Measurement Framework®	71
The Business Impact Model®	73
The Impact Measurement Framework®	87
Summary of the Framework	103
Program versus Organizational Measures	103
How to Use the Measurement Framework	106
Summary of the Measurement Models	106
Chapter 5: Implementation: The Seven-Step Training Measurement Process	109
The Seven-Step Program Measurement Process	109
Best Practices in Implementation	123
How to Start	129
Chapter 6: Measurement of Business Impact	139
Simplifying the Problem	140
Use Line-of-Business-Specific Measures	141
Integrate with Performance Management Processes	148
Chapter 7: Measurement of Alignment	153
Caterpillar’s Planning and Budgeting Process	154
CNA Insurance Training Investment Model	156
How Do You Measure Alignment?	157

Chapter 8: Attainment: Measurement of Customer Satisfaction	163
The Six Sigma Approach	163
How Do You Operationalize the Measurement of Customer Satisfaction?	166
Chapter 9: Measurement Tools and Technologies	169
The Role of the LMS	169
Training Analytics and Advanced Reporting	172
The KnowledgeAdvisors Solution	174
CLO Dashboard by Zeroed-In Technologies	175
Chapter 10: The Journey Forward: Focus on What Matters	179
Appendix I: Case Study A: Randstad Measures Onboarding	185
Randstad Overview	185
The Business Problem	186
The Solution	187
Results	191
Lessons Learned	196
Next Steps	196
Appendix II: Case Study B: HP Develops an Integrated Measurement Process	199
HP Measurement Goals	199
HP Systematic Approach	200
Designed to Deliver Actionable Information	202
HP Solution: Standard Evaluation and Indicators	203
Lessons Learned	206
Appendix III: Research: The State of Training Measurement Today	209
What Do Training Organizations Consider Important?	209
What Do Training Organizations Actually Measure?	211
Budgets for Training Measurement	212

The Importance of a Business Plan	214
How Do Organizations Measure Alignment?	215
The Role of Performance Consulting	217
Satisfaction with LMS Systems	218
Is Enough Being Spent on Training Measurement?	219
Demographics from the Survey	220
Appendix IV: Examples of Learning Measurements	223
Caterpillar University ROI Analyses	223
DAU: Business-Focused Approach	223
Cisco Sales Training	226
Microsoft Learning	226
Sprint University	229
Appendix V: Specific Learning Measures	233
Appendix VI: Training Analytics Specifications	235
Introduction	235
1.0. Business Measures	235
2.0. Dimensions	239
3.0. Hierarchy and Aggregation	242
4.0. Computational Flexibility	242
5.0. Security and Roles	243
6.0. Dashboards	244
7.0. Alerts and Report Subscriptions	244
8.0. Extract, Transform, and Load	245
9.0. General	246
10.0. Creating Demonstration Scripts	246
Index	249
About the Author	259
