*AAB Joint Venture v. United States*, 93  
 Access controls and segregation of duties, 128, 130  
 Acid Rain Program, 143, 144  
 Advanced measurement approach (AMA), 80–81  
 Agency theory, 9, 10  
 Aguilar, Lewis A., 141  
 Alpha, 198, 199, 112  
 Anticorruption and Bribery Laws and Standards, 110, 112  
 Anti-money laundering (AML), 113, 114  
 Arbitrage pricing theory (APT), 205  
 A Risk Management Standard (ARMS), 37  
 Arthur Andersen, demise of, 272–274, 278  
 Association of Insurance and Risk Managers (AIR-MIC), 37  
 Association of Local Authority Risk Manager (ALARM), 37  
 Auditing Standards over Internal Controls, International, 126–127  
 Australian/New Zealand risk management standards (AS/NZS 4360:2004), 34

## B

Bank for International Settlements (BIS)  
 importance beyond banking, 31–32

role in local and global lending, 226–227  
 Barnier, Brian, 28  
 Basel II  
 comparison to Solvency II, 35–36  
 Pillar 1: Capital Calculation, 176, 214, 217–221, 227  
 Pillar 2: Regulatory Oversight, 219  
 Pillar 3: Market Disclosures, 219  
 role in banking, 31–32  
 Basel III, 18, 19, 32  
 Basic Standard for Enterprise Internal Control (China SOX), 124  
 Battery Directive, EC 2006/66/EC, 148, 153  
 Bernstein, Peter L., 173, 174  
 Beta  
 limitations of in portfolio management, 201  
 overview, 199–200  
 Black Swans  
 in credit risk, 219  
 in market risk, 172, 173, 176  
 in measuring risk capacity, 44  
 overview of, 187–189  
 Board level risk committee, 237–238  
*Book of the Five Rings* (Musashi), 15  
 Booz and Company, Survey of Executive Turnover, 246  
 British Petroleum (BP), 141, 278  
 Business continuity planning, 75, 236  
 Business intelligence, 166–168

**C**

Cadbury and Turnbull committees, 11  
 California Electronic Waste Recycling Act, 147–148  
 Cambridge University, diversity research, 240  
 Cantor Fitzgerald, 78  
 Cap and trade, 142–144  
 Capital asset pricing model (CAPM), 198–200, 203, 204  
 Capital ratios, 31, 32  
 Case law  
*AAB Joint Venture v. United States*, 93  
*Columbia Pictures v. Justin Bunnell*, 96  
*EEOC v. EchoStar*, 94  
*EEOC v. Target Corporation*, 95–96  
*Rowe Entertainment Inc. v. William Morris Agency*, 93  
*Zubulake v. UBS Warburg LLC*, 92, 93  
 CEO/Chairman of the board duality. *See* Duality  
 Chen, Ying, 245  
 Chief risk officer (CRO), 11, 38, 42, 77  
 China Order No. 39 (China RQHS), 147  
 China SOX (Basic Standard for Enterprise Internal Control), 124  
*Columbia Pictures v. Justin Bunnell*, 96  
 Committee of Sponsoring Organizations (COSO)  
 five control elements, 125  
 for small public companies, 20–22  
 Compensation  
 compensation tied to employer's gain, 103, 104  
 executive compensation reform, 244–247  
 Consequence analysis, 56  
 Consequential (liquidity) risk, 281  
 Control Objectives for Information and Related Technology (COBIT)  
 comparisons to ITIL, 28–30  
 overview, 26–27  
 Controls assessment, 56

Corporate governance  
 improvements in, 229–248  
 model, 9  
 Corporate Law and Financial Instruments and Exchange Law (J-SOX), 124  
 Corruption  
 public sector, 100–107  
 types, 107  
 COSO. *See* Committee of Sponsoring Organizations (COSO)  
 COSO II (Enterprise Risk Management), 22, 23  
 Counterparty risk, 215–216  
 Country (sovereign) risk, 216, 224  
 Countrywide, reckless risk taking, 244  
 Credit default swap (CDS), 5  
 Credit risk  
 Internal Ratings-Based (IRB)  
 approaches, 35, 218–221  
 standardized approach, 220

**D**

Data  
 analytics (business intelligence), 166  
 architecture, governance, and quality, 163  
 governance assessment, 161  
 governance best practices, 164  
 maturity model, 162–163  
 mining, 166–167  
 preservation failures, sanctioned, 92  
 structured and unstructured, 160, 216  
 Delphi technique, in risk assessments, 58, 59  
 Directors, corporate, 8  
 Discovery  
 of backup tapes, 93  
 cost shifting, 93  
 in legal risk, 88, 89  
 limits on scope of, 95  
 minimizing costs of, 96–97, 98  
 sampling, 95

- Diversity  
 arguments against, 243–245  
 arguments for, 239–243  
 Conference Board of Canada,  
 research, 240  
 in European corporate boards,  
 242–243  
 Heidrick & Struggles and USC  
 Survey of Board Diversity, 243  
 increased board, 240–243  
 Tobin Quotient increases, 240, 241  
 in U.S. corporate boards, 242
- Duality  
 arguments against, 231–235  
 arguments for, 234  
 in banking, 233  
 in succession planning, 236–237
- E**  
 EC. *See* European Commission (EC)  
 Economic capital vs. regulatory capital, 33  
 Economic theory of agency, 247
