tests (*continued*)

data handling

- answers, 233–234, 236
- overview, 226
- questions, 226–232

difficult questions

- breaking down into parts, 301–302
- coming back to, 301
- eliminating wrong answers, 298–299
- explaining question to oneself, 300
- guessing, 302
- overview, 297
- reading, 298
- thinking of similar problems, 299
- trying answers, 299–300
- using smart estimates, 300–301

for emergency services

- ambulance services, 18
- Emergency Services Data Handling test, 209–215, 235
- Maritime and Coastguard Agency (MCA), 18
- overview, 17
- Police Numerical Reasoning tests, 17
- UK Fire and Rescue Service Working with Numbers test, 18

general numeracy tests

- answers, 195–197, 199–200, 276–278, 280
- overview, 191, 271
- questions, 191–194, 271–276

Initial Teacher Training (ITT)

- prerequisite, 14
- managing time while taking
 - checking work, 50
 - guessing when needed, 49–50
 - moving along, 49

overview, 48

starting off, 48–49

mental arithmetic

- answers, 166–167, 169
- overview, 163
- questions, 163–165

for other purposes, 19

overview, 37

paper-and-pencil test

- answering exam questions, 42–43
- multiple choice questions, 43–45
- overview, 42

preparing for

- bringing what needed tools, 38–39
- getting in right frame of mind, 39–40
- overview, 37–38
- test location, 38

Qualified Teacher Status exam

- overview, 14–15
- practice exam #1, 159–162, 169
- practice exam #2, 179–183, 198
- practice exam #3, 237–245, 254

studying for

- catching up when behind, 30–31
- determining material needed to learn, 26–28
- finding time for, 28–30
- flashing cards, 34–36
- keeping on target, 36
- overview, 25–26
- revising known material, 31–33
- speeding up, 36
- timing, 34

taking

- accentuating positives, 305–306
- checking work, 308
- getting familiar with test, 303–304
- having rituals, 306–307

- keeping up energy, 305
- managing time, 307–308
- overview, 303
- practising easy parts, 304
- practising hard parts, 304
- reading papers first, 307
- using last minutes, 306
- for teachers, 13
- tricky questions
 - considering use of information, 46–47
 - explaining problem verbally, 45–46
 - overview, 45
 - tidiness factor, 47
- UK Clinical Aptitude Test (UKCAT) test
 - answers, 251–253, 254
 - overview, 18–19
 - questions, 246–250
- three dimensional shapes, 115
- three dimensions, 120
- three-part ratios, 81
- tidiness factor, 47, 290
- time
 - finding start and end times, 105–106
 - how long things last questions, 105
 - managing during tests, 307–308
 - overview, 101, 123–124
 - for test preparation
 - finding personal space, 29–30
 - making habits, 29
 - overview, 28–29
 - test questions based on
 - overview, 141
 - reading timetables, 141–142
 - test taking and
 - checking work, 50
 - guessing when needed, 49–50
 - managing, 28
 - moving along, 49
 - overview, 48
 - starting off, 48–49
 - 24-hour clock
 - converting military time to normal time, 104
 - converting normal time to military time, 104
 - overview, 103–104
 - timers, using while studying, 294
 - times tables, practicing, 94
 - timetables
 - arrival time questions, 142
 - ‘how long does it take?’ questions, 142
 - overview, 141
