Preface	ix
Acknowledgments	xi
About the Author	xiii
1 The Evaluation Approach	1
Management's Evaluation of Internal Control	1
Risk-Based Judgments	4
Risk-Based, Top-Down Evaluation Approach	8
Working with the Independent Auditors	23
2 Internal Control Criteria	25
Need for Control Criteria	26
COSO Internal Control Integrated Framework	26
Information and Communication	41
Internal Control for Small Businesses	44
Controls over Information Technology Systems	48
3 Project Scoping	52
Introduction	53
Entity-Level Controls	54
Identifying Significant Activity-Level Control Objectives	74
Appendix 3A Action Plan: Identifying Significant Control Objectives	75
Appendix 3B Example Control Objectives	77
4 Project Planning	81
Objective of Planning	81
Information Gathering for Decision Making	82
Information Sources	93
Structuring the Project Team	100
Coordinating with the Independent Auditors	103

Documenting Your Planning Decisions	105
Appendix 4A Action Plan: Project Planning	107
Appendix 4B: Summary of Planning Questions	110
5 Documentation of Internal Controls	115
Importance of Documentation	115
Assessing the Adequacy of Existing Documentation	116
Documentation of Entity-Level Control Policies and Procedures	118
Documenting Activity-Level Controls	123
Sarbanes-Oxley Automated Compliance Tools	147
Coordinating with the Independent Auditors	156
Appendix 5A: Action Plan: Documentation	157
Appendix 5B: Linkage of Significant Control Objectives to Example Control Policies and Procedures	160
6 Testing and Evaluating Entity-Level Controls	167
Overall Objective of Testing Entity-Level Controls	167
Testing Techniques	170
Evaluating the Effectiveness of Entity-Level Controls	185
Documenting Test Results	190
Coordinating with the Independent Auditors	190
Appendix 6A: Action Plan: Testing and Evaluating Entity-Level Controls	192
Appendix 6B: Survey Tools	194
Appendix 6C Example Inquiries of Management Regarding Entity-Level Controls	201
7 Testing and Evaluating Activity-Level Controls	208
Introduction	208
Confirm Your Understanding of the Design of Controls	209
Assessing the Effectiveness of Design	211
Operating Effectiveness	214
Evaluating Test Results	231
Documentation of Test Procedures and Results	232
Coordinating with the Independent Auditors	232
Appendix 7A Action Plan: Documentation	234
Appendix 7B Example Inquiries	236

8 Evaluating Control Deficiencies and Reporting on Internal Control Effectiveness	238
Control Deficiencies	238
Evaluating Control Deficiencies	239
Annual and Quarterly Reporting Requirements	245
Expanded Reporting on Management's Responsibilities for Internal Control	249
Coordinating with the Independent Auditors and Legal Counsel	253
Appendix 8A Action Plan: Reporting	254
Index	257
