Going for consistency with your bank entries	137
Repeating customer and supplier payments	140
Making regular journal entries – if you dare	141
Processing and posting recurring entries	142
Dealing with Petty Cash	143
Funding petty cash	143
Making payments from the tin	143
Reconciling the petty cash tin.....	144
Paying the Credit Card Bill	144
Making payments.....	144
Reconciling the credit card statement.....	145

Chapter 9: Maintaining and Correcting Entries 147

Checking and Maintaining Your Files.....	147
Checking data	148
Making corrections.....	149
Re-indexing data.....	151
Compressing data	151
Rebuilding data	151
Finding Ways to Find Transactions	152
Searching For Records	153
Backing Up Data.....	155
Restoring Data.....	156

Part III: Functions for Plus and Professional Users..... 159

Chapter 10: Processing Sales Orders 161

Giving a Quote.....	161
Amending your invoice and order defaults.....	162
Creating a quotation.....	162

Allocating and amending stock for a quote.....	164
Converting a quotation to an invoice or order	164
Creating a Sales Order	164
Entering the sales order details	166
Dealing with cash sales	169
Editing your order	170
Putting sales orders on hold	170
Duplicating a sales order	171
Printing the order	172
Allocating Stock to an Order	172
Going on automatic	172
Assigning stock yourself	173
Amending the allocation of stock	174
Using the shortfall generator	174
Despatching Orders	174
Completing an order.....	175
Using goods despatched notes	175
Using the despatch facility	176
Recording a despatch manually	176
Invoicing Your Customers.....	177
Deleting and Cancelling Sales Orders	178

Chapter 11: Processing Purchase Orders181

Creating, Changing and Copying a Purchase Order.....	181
Creating a purchase order.....	182
Editing your order	184
Duplicating a purchase order.....	184
Placing the Goods On Order	185
Ordering via the conventional method.....	185
Manually placing goods on order	185
Completing Your Purchase Order	186
Printing Your Purchase Order	187
Getting the Goods In	188
Using goods received notes.....	189
Accepting delivery of everything.....	191
Taking in part of an order	191
Creating an Invoice from an Order.....	192
Deleting, Cancelling and Un-Cancelling Orders	193
Deleting	193
Cancelling.....	194
Putting a cancelled order back on order	195

Chapter 12: Keeping Track of Your Products197

Taking Stock.....	197
Adjusting stock levels	199
Checking stock activity.....	199
Using the stock shortfall facility	200

Understanding a Bill of Materials	201
Creating a bill of materials.....	202
Checking stock availability for a BOM	204
Transferring stock for a BOM.....	205
Processing Stock Returns	206
Allocating Stock	208
Changing stock allocation.....	210
Issuing allocated stock.....	210

Chapter 13: Managing Projects213

Appointing a Project's Status and Costs	213
Assigning status	214
Looking at costs – types and codes.....	215
Changing status and costs.....	216
Managing Project Resources.....	217
Creating or amending a resource	217
Deleting a resource.....	218
Tracking Project Costs.....	218
Sharing out project charges	219
Issuing stock to a project.....	220
Counting costs from a supplier invoice	222
Integrating POP with project costing	222
Analysing Project Costs	223
Looking at the project's activity	224
Comparing costs to budget	226
Charging Your Customers for a Project.....	226
Completing Your Project	228

Chapter 14: Using Foreign Currencies229

Setting Up Foreign Currencies	230
Entering the exchange rate for a currency	231
Amending the Countries table	231
Tailoring the Foreign Trader Tool.....	233
Keeping Trade Status in Mind when Setting Up Accounts	234
Processing the Paperwork.....	236
Raising invoices, credit notes and orders	236
Entering batch invoices and credit notes.....	238
Banking on Foreign Currencies.....	239
Customer receipts and supplier payments	239
Carrying out a bank transfer	241
Expecting changing exchange rates	242
Doing Revaluations with the Wizard.....	244

***Part IV: Running Monthly, Quarterly and Annual Routines*..... 247**

Chapter 15: Reconciling Your Bank Accounts249

Recognising Reasons to Reconcile.....	249
Getting Ready to Reconcile.....	251
Doing the Actual Reconciliation.....	251
Troubleshooting when Your Account Doesn't Reconcile.....	256
