 Catalytic donor key principles: for
 blending profit with purpose, 83–85;
 for donor advocacy, 60–61; for
 empowering the people, 141–142; for
 forging nonprofit peer networks,
 116–117; for leading adaptively,
 163–164; for learning to change,
 182–185
 Catalytic donors: commit to your cause
 strategy by, 11, 19–36; comparing
 mind-set of common versus, 8*fig*–10;
 defined as causing or accelerating a
 change, 9–10, 171; description and
 characteristics of, 3, 43–44;
 interconnection between parts
 concept understood by, 115; making a
 difference goal of, 120–122;
 motivations for giving by, 24*e*–27,
 120–122; moving from theory to
 practice, 15; peer-network mind-set of,
 97–99*fig*; as philanthropreneurs, 9;
 potential of today's, 6–7; six practices
 of, 10–15; two main premises on, 4;
 views on individuals by common
 versus, 125–126*t*; views of nonprofits
 by common versus, 98–99*fig*. *See also*
 Donors; Master donors
 Catalytic donors practices: 1: advocate for
 change, 11–12, 37–61; 2: blend profit
 with purpose, 12, 63–85; 3: forge
 nonprofit peer networks, 12–13,
 87–117; 4: empower the people, 13,
 119–142; 5: lead adaptively, 5, 14,
 143–164; 6: learn to create change,
 14–15, 165–183

- Catalytic philanthropy: as adaptive leadership, 5; checklists for commitment to, 187–188; comparing traditional and, 7–10, 186–187; complexity of change challenge of, 140–141, 186–187; current need for, 4–5; description of, 3; embracing the future of, 16–17, 185–190; role of individuals in, 125–134; two main premises of, 4. *See also* Nonprofits; Philanthropy
- Catalytic philanthropy premise: donors have something valuable to contribute beyond their money, 4; we inhabit a complex and globally interdependent world, 4
- Catalytic philanthropy principles:
1: philanthropy is not a solitary or dialectical effort, 188–189; 2: solving problems is not about knowing the answer, 189; 3: catalytic philanthropy is not for the impatient, 189–190
