

INDEX

A

Access to service: as common nonprofit value, 28;
community-based service organizations and, 25; provision
of public good theory and, 14, 18, 97

Accomplishments, organizational, identification of, 77, 80

Accountability: as common nonprofit value, 28; contract
failure theory and, 14, 18

Action, theory of, 128

Action plan: creating, 112, 114–115; implementing, 115,
117–121; participation in, 119; sample, 116–117

Action research, 119

Action science, 99

Administration, non-valuing of: in case example, 37–38; in
typical nonprofits, 29. *See also* Systems, organizational

Adversarial-conflict model, 62, 65, 71–72

Advocacy organizations: case example, 35–39; culture; diversity
theory and, 14, 90; collaborative approach of, 10;
confrontational approach of, 10; general participation
theory and, 90; organizational life cycle shift in example,
35–39

African American families, food distribution organization
and, 50

African American neighborhood, faith-based community
development corporation in, 45–49

Agricultural development organization, 54–59

Alinsky, S., 24

Altruism: as staff motivation, 29, 96, 109–110; voluntary
governance and, 17, 19

Alvarado, J., 41, 118

American Heart Association, 14

Annie E. Casey Foundation, 131, 156*n.* 1

Anthropology, 10, 70, 71

Anti-establishment spirit, 37–39, 71–72

Antiwar movements, 24

Appreciative inquiry approach, 70, 146, 148

Archetypal images, 130

Archetypes, identification of, 150–151

“Arctusis” case example, 35–39, 64

Argyris, C., 99

Artifacts: analysis of, 11, 101–103, 104–107; changing, 112,
115; defined, 9; examples of, 26, 85, 87, 96; gathering and
mapping, 85, 87, 96

Aspen Institute, 19

Assumptions, underlying: of advocacy organization,
38–39; of agricultural development organization,
57–59; approaches to drafting, 99, 101–103, 104–107;
common to nonprofits, 28–29, 65–66, 89–90; defined, 9;
descriptive written summary of, 103, 108; external survival
approaches and, 10–11; internal integration approaches
and, 10–11; of Latino activist organization, 62–63;
logic models and, 129–130; objective attainment and,
114–115; sample written, 108, 109–110; theme analysis for
determining, 101–103; theories of nonprofit existence and,
13–20, 65–66, 89–90, 97–98, 103; unearthing deep, 9–10,
63–67. *See also* Organizational culture; Values and beliefs

Authenticity, 118–119

B

Baby boomers, 22, 24

Behavior: culture revealed in, 145, 148; culture theme
analysis of, 101–103, 104–107; dissonance between
espoused values and, 99, 100, 118–119; leadership’s
modeling of, 118

Beliefs. *See* Assumptions; Values and beliefs

Ben and Jerry’s, 22

Benefit and risk analysis, 64–65, 99, 108–111

Bennis, W., 146

Berger, P., 155*n.* 2

Developmental disability organization, 127, 130–131

Diagnosing Organizational Culture (Harrison and Stokes), 151

Dialectic change theory, 99

Dissonance, 99, 100, 118

Distributed or decentralized leadership, 20, 46–49, 61–63

Diversity: among Latino groups, 62; civic diversity theory and, 14, 15, 19; as common nonprofit value, 28; community-based service organizations and, 25–26; solidarity and, 15, 19, 28

Domestic violence shelter, success stories from, 146

Douglas, J., 14, 15

Dress, artifact of, 85, 96

Drucker, P., 74, 127, 128, 140

Duty of obedience, 16, 17

E

Economic development districts, innovation theory and, 16

Economic theories of nonprofit existence, 13–14, 18.
See also Contract failure theory; Provision of public good theory

Effectiveness, organizational culture and, 2–3

Efficiency: changing culture for, 56–59; flexibility and, 29

Emergency succession planning, 131

Entrepreneurial values, 46, 47, 48

Environment, assumptions about, 103, 107

Environmental change. *See* External change

Equine-assisted activities, 120–121

Equity: community-based service organizations and, 24; as nonprofit value, 28; provision of public good theory and, 14, 18, 97

Espoused values: analysis of, 11; defined, 9; dissonance between behavior and, 99, 100, 118–119; examples of, 26, 95; gathering and mapping, 84–85, 95

Evaluation, program, 130–131

Excellence, culture change for, in case example, 51–55

Executive director transition: case examples of, 45–54, 61–63; Executive Transition Management (ETM) framework for, 131–132, 156*n.* 1; as nonprofit stressor, 34, 45, 66; opportunities in, 45. *See also* Founders; Leaders; Leadership change

Executive Transition Management (ETM) framework, 131–132, 156*n.* 1

Experiential training, 120–121

External change: case examples of, 54–63; as nonprofit stressor, 34, 54, 66–67

External survival, assumptions about, 10–11

F

Facebook, 21

Facilitation, of culture discovery process: benefits of, 74; in culture description/analysis step, 99, 111; and mind mapping, 85, 87, 89, 91, 153–154; in story collection/mind mapping step, 82, 85, 89, 91, 98–99

Fairness: as common nonprofit value, 28; community-based service organizations and, 24; provision of public good theory and, 14, 18, 97

Faith-Based Management (Brinckerhoff), 142

Faith-based organizations, 45–49, 65. *See also* “Human Rights Institute (HRI)” case example

Feedback loops, 119–120

Fernandez, S., 99

Fieldstone Alliance, 143

Fighting style, 37–39, 147–148

Financial Empowerment (Brinckerhoff), 142

Financial systems: changing, in executive director transition, 47, 48; focus on, in response to funding change, 56–59

501(c)(3) organizations, 16–17, 19

Flexibility, nonprofit: as common nonprofit value, 28; of community-based service organizations, 25; efficiency and, 29; innovation theory and, 15–16, 19, 66

Food distribution organization. *See* Manna Food Center

Formal or “overt” issues, in organizational iceberg, 27, 34

Foundations, innovation theory and, 16

Founders: aftermath of death of, 72–73; change-resistant, in case example, 35–39; cultural influence of, 12, 23, 37–39, 117–118, 146–147, 148; executive director transition from, 45–49, 66. *See also* Executive director transition; Leaders

Free riders, 14, 18

Fund for the Homeless, 144

Funding: identifying sources of, 77; impact of changes in, 54–59, 66–67; organizational image and, 127, 129–130

Fundraising, balancing, with mission, 21
