Prologue: Invest in Real Estate Now!	xix
Acknowledgments	xxvii

I WHY INVESTING IN REAL ESTATE PROVIDES YOU THE BEST ROUTE TO A PROSPEROUS FUTURE

22 Sources of Returns from Investment Property	3
Will the Property Experience Price Gains from Appreciation?	4
Will You Gain Price Increases from Inflation?	5
Earn Good Returns from Cash Flows	6
Magnify Your Price Gains with Leverage	6
Magnify Returns from Cash Flows with Leverage	7
Build Wealth through Amortization	7
Over Time, Returns from Rents Go Up	8
Refinance to Increase Cash Flows	9
Refinance to Pocket Cash	10
Buy at a Below-Market Price	10
Sell at an Above-Market-Value Price	10
Create Property Value Through Smarter Management	11
Create Value with a Savvy Market Strategy	11

vi CONTENTS

Create Value: Improve the Location	12
Convert from Unit Rentals to Unit Ownership	12
Convert from Lower-Value Use to Higher-Value Use	12
Subdivide Your Bundle of Property Rights	13
Subdivide the Physical Property (Space)	14
Create Plottage (or Assemblage) Value	14
Obtain Development/Redevelopment Rights	15
Tax Shelter Your Property Income and Capital Gains	15
Diversify Away from Financial Assets	16
Is Property Always Best?	16

2 FINANCING: BORROW SMART, BUILD WEALTH 18

The Birth of "Nothing Down"	18
Should You Invest with Little or No Cash or Credit?	19
What's Wrong with "No Cash, No Credit, No Problem"?	20
Leverage: Pros and Cons	22
What Are Your Risk-Return Objectives?	27
Maximize Leverage with Owner-Occupancy Financing	28
Owner-Occupied Buying Strategies	28
Current Homeowners, Too, Can Use This Method	29
Why One Year?	29
Where Can You Find High-LTV Owner-Occupied Mortgages?	30
What Are the Loan Limits?	30
High Leverage for Investor-Owner Financing	32
High Leverage versus Low (or No) Down Payment	32
Creative Finance Revisited	32
Are High-Leverage Creative-Finance Deals Really Possible?	38
What Underwriting Standards Do Lenders Apply?	39
Collateral	40
Loan-to-Value Ratios	40
Recourse to Other Assets/Income	41
Amount and Source of Down Payment and Reserves	41
Capacity (Monthly Income)	42

CONTENTS vii

Credit History (Credibility!)	43
Character and Competency	44
Compensating Factors	45
Automated Underwriting (AUS)	46

3 APPRAISAL: HOW TO DISCOVER GOOD VALUE 47

Make Money When You Buy, Not Just When You Sell	48
What Is Market Value?	48
Sales Price Doesn't Necessarily Equal Market Value	49
Sound Underwriting Requires Lenders to Loan Only Against Market Value	50
How to Estimate Market Value	51
Property Description	52
Identify the Subject Property	52
Neighborhood	52
Site (Lot) Characteristics	59
Improvements	60
The Cost Approach	61
Calculate Cost to Build New	61
Deduct Depreciation	61
Lot Value	62
Estimate Market Value (Cost Approach)	63
The Comparable Sales Approach	64
Select Comparable Properties	64
Approximate Value Range—Subject Property	65
Adjust for Differences	65
Explain the Adjustments	66
The Income Approach	67
Income Capitalization	69
Net Operating Income	69
Estimate Capitalization Rates (R)	72
Compare Cap Rates	72
The Paradox of Risk and Appreciation Potential	73
Compare Relative Prices and Values	74

viii CONTENTS

Valuation Methods: Summing Up	74
Appraisal Limiting Conditions	75
Valuation versus Investment Analysis	76
4 MAXIMIZE CASH FLOWS AND GROW YOUR EQUITY	77
Will the Property Yield Good Cash Flows?	77
Arrange Alternative Terms of Financing	79
Decrease (or Increase) Your Down Payment	80
Buy at a Bargain Price	82
Should You Ever Pay More than Market Value for a Property?	83
The Debt Coverage Ratio	84
Numbers Change, Principles Remain	85
Will the Property Yield Profitable Increases in Price?	85
Low-Involvement versus High-Involvement Investing	86
Compare Relative Prices of Neighborhoods (Cities)	87
Undervalued Neighborhoods and Cities	88
Beverly Hills versus Watts (South Central Los Angeles)	88
Demographics	89
Accessibility (Convenience)	90
Improved (Increased) Transportation Routes	90
Jobs	91
Taxes, Services, and Fiscal Solvency	91
New Construction, Renovation, and Remodeling	91
Land-Use Laws	92
Pride of Place	93
Sales and Rental Trends	93
Summing Up	95
5 HOW TO FIND BARGAIN-PRICED PROPERTIES	96
Why Properties Sell for Less (or More) Than Market Value	96
Owners in Distress	97
The "Grass-Is-Greener" Sellers	97
