CONTENTS IN BRIEF

List of figures xxix
List of tables xxxi
Preface xxxiii

PART I Fundamentals of human resource management 1

01 Human resource management 3
02 Strategic HRM 25
03 HR strategy 37
04 Human capital management 49
05 The context of HRM 56
06 HRM and performance 63
07 International HRM 76

PART II Delivering HRM 91

08 The role of the HR function 93
09 The role of HR professionals 105
10 The HRM role of line managers 121

PART III Human resource management processes 127

11 Evidence-based HRM 129
12 HR analytics 136
13 e-HRM 145
14 Artificial intelligence and HRM 152
15 Knowledge management 158
16 Competency-based HRM 164
17 The ethical dimension of HRM 171
18 Corporate social responsibility 181

PART IV Organization 187

19 Organizational behaviour 189
20 Organization design 208
21 Work design 215
22 Job design 223
23 Organization development 232

PART V Factors affecting the behaviour of people at work 245

24 Motivation 247
25 Commitment 263
26 Employee engagement 271

PART VI People resourcing 287

27 Workforce planning 289
28 Recruitment and selection 299
29 Talent management 327

PART VII Employment practices 343

30 Managing employment 345
31 Managing diversity and inclusion 365
32 Managing flexibility 370

PART VIII Learning and development 377

33 The basis of learning and development 379
34 The process of learning and development 392
35 Learning and development practices 404
36 Leadership and management development 419

PART IX Performance management 429

37 The concept of performance management 431
38 Performance management systems 443
39 Reinventing performance management 456

PART X Reward management 471

40 The basis of reward management 473
41 The practice of reward management 489
42 Managing reward for special groups 505
43 The gender pay gap 517

PART XI Employment relations 525

44 The basis of employment relations 527
45 The employment relationship 535
46 The psychological contract 541
47 The practice of industrial relations 546
48 Employee voice 553
49 Employee communications 560

PART XII Employee wellbeing 565

50 The principles and practice of employee wellbeing 567
51 Health and safety 576

PART XIII HRM policies and practices and employment law 587

52 HR policies 589
53 HR procedures 596
54 HR information systems 602
55 Employment law 606

PART XIV People management skills 617

56 Strategic people management skills 619
57 Business skills 621
58 Problem-solving and decision-making skills 629
59 Analytical and critical skills 634
60 Research skills 638
61 Statistical skills 649
62 Selection interviewing skills 654
63 Job, role, competency and skills analysis 662
64 Learning and development skills 677
65 Negotiating skills 682
66 Change management 688
67 Influencing skills 700
68 Leadership skills 704
69 Handling people problems 712
70 Handling challenging conversations 719
71 Managing conflict 720
72 Political skills 724
73 Dealing with business issues from an HR perspective 727
74 Project management 732

Subject index 745

CONTENTS

List of figures xxix
List of tables xxxi
Preface xxxiii

PART I Fundamentals of human resource management 1

01 Human resource management 3

Introduction 3
HRM: meaning and issues 3
The development of the HRM concept 5
HRM philosophy 6
The goals of HRM 7
HRM standards 8
The theoretical base of HRM 8
Models of HRM 9
Perspectives on HRM 12
The HR system 13
The impact of HRM 15
HRM – today 16
HRM – the future 16
The concept of people management 17
References 21

02 Strategic HRM 25

Introduction 25
The nature of strategic human resource management 25
Strategic fit 27
The resource-based view of SHRM 30
Critical evaluation of the concept of SHRM 32
References 34

03 HR strategy 37

Introduction 37
The nature of HR strategy 37
Approaches to the formulation of HR strategy 38
Developing HR strategy 41
Implementing HR strategy 45
References 47

04 Human capital management 49

Introduction 49
Human capital management defined 49
The concept of human capital 50
The constituents of human capital 51
Measuring human capital 51
Approaches to people management raised by human capital theory 53
References 55

05 The context of HRM 56

Introduction 56
Environmental factors 56
What's happening to work? 57
The labour market 59
References 62

06 HRM and performance 63

Introduction 63
Measuring organizational performance 63
The impact of HRM 64
How HRM makes an impact 66
The contribution of HR 70
The development of high-performance working 70
High-performance work systems 70
References 73

07 International HRM 76

Introduction 76
The international scene 76
International HRM strategies 77
Contextual factors 77
Convergence and divergence 78
The practice of international HRM 79
Global approaches to talent management 80
Managing expatriates 84
International HRM policies 84
References 88

PART II Delivering HRM 91

08 The role of the HR function 93

Introduction 93
The overall contribution of HR 93
The contribution of the HR function to the achievement of competitive advantage 94

The role and organization of the HR function 94
Outsourcing HR work 97
Power of the HR function 98
The reputation of the HR function 98
Evaluating the HR function 99
The role of HR in small- and medium-sized organizations (SMEs) 101
References 103

09 The role of HR professionals 105

Introduction 105
The overall role of the HR professional 105
The Ulrich model 105
The strategic role of the HR professional 106
The HR business partner role 108
The partnership role of HR professionals 111
The innovation role 111
The change agent role 112
The service delivery role 112
HR professionals: role requirements 112
Carrying out the role of the HR professional 114
References 118

10 The HRM role of line managers 121

Introduction 121
The people management role of line managers 121
How well does devolution of HR responsibilities to line managers work? 121
Factors affecting the quality of the implementation of HRM by line managers 123
Dealing with the issues 124
References 126

PART III Human resource management processes 127

11 Evidence-based HRM 129

Introduction 129
Evidence-based HRM defined 129
Evidence-based management 129
The approach to evidence-based HRM 131
References 135

12 HR analytics 136

Introduction 136
HR analytics defined 136
The purpose of HR analytics 137
The process of HR analytics 138

HR analytics levels 138
Keeping people informed 142
References 143

13 e-HRM 145

Introduction 145
e-HRM defined 145
Purpose of e-HRM 146
Features of e-HRM 147
e-HRM achievements 149
References 151

14 Artificial intelligence and HRM 152

Introduction 152
The components of AI 152
Applications for AI in HRM 153
AI risks 155
The extent to which AI is used by HR 155
Tips for practitioners on introducing AI 156
Ethical considerations 156
References 157

15 Knowledge management 158

Introduction 158
The concept of knowledge 158
Knowledge management defined 159
Knowledge management strategies 160
Knowledge management issues 160
The contribution of HR to knowledge management 161
References 163

16 Competency-based HRM 164

Introduction 164
Competency defined 164
Using competencies 166
Applications of competency-based HRM 167
Developing a competency framework 167
Keys to success in using competencies 169
Reference 170

17 The ethical dimension of HRM 171

Introduction 171
The meaning and concerns of ethics 171

The nature of ethical decisions and judgements 172
Ethical frameworks 172
Fairness 173
Equity theory 173
Justice 173
HRM ethical guidelines 174
Ethical dilemmas 177
The ethical role of HR 178
References 180

18 Corporate social responsibility 181

Introduction 181
Corporate social responsibility defined 181
Strategic CSR defined 182
CSR activities 182
The rationale for CSR 183
The opposing view 183
Benefits of CSR 184
The basis for developing a CSR strategy 184
References 185

PART IV Organization 187

19 Organizational behaviour 189

Introduction 189
Organizational behaviour defined 189
The sources and applications of organizational behaviour theory 190
How organizations function 190
Organizational culture 193
Organizational climate 197
Organizational processes 197
Characteristics of people 199
Implications for HR specialists 203
References 205

20 Organization design 208

Introduction 208
Organization design theory 208
Organization design guidelines 209
Organizational choice 210
The approach to organization design 211
Successful organization design 212
References 214

21 Work design 215

Introduction 215
What is happening to work? 215
Work design – a short history 215
The approach to work system design 216
Smart working 217
Agile working 219
Automation 220
The role of HR in work design 221
References 222

22 Job design 223

Introduction 223
Job quality 223
The principles and practice of job design 225
Job enrichment 227
The job characteristics model 227
The job demands-resources model 228
Job design practice 228
Responsibility for job design 228
Job crafting 229
References 230

23 Organization development 232

Introduction 232
Organization development defined 232
The nature of organization development 232
The story of organization development 233
Organization development strategy 237
The consulting cycle 238
Organizational diagnosis 238
Organization development programmes 240
Conclusions on organization development 242
References 244

PART V Factors affecting the behaviour of people at work 245

24 Motivation 247

Introduction 247
The meaning of motivation 247
Instrumentality theory 248
Content theory 249
Process theory 251
Summary of motivation theories 255

Motivation and job satisfaction 257
Motivation and money 258
Conclusions on motivation theory 258
Motivation strategies 259
References 260

25 Commitment 263

Introduction 263
The meaning of organizational commitment 263
Mutuality and commitment 263
The mutual gains perspective 264
Commitment and engagement 265
Factors affecting commitment 266
Developing a commitment strategy 266
Critical evaluation of the concept of commitment 267
References 269

26 Employee engagement 271

Introduction 271
The meaning of employee engagement 271
The theory of engagement 272
The components of employee engagement 272
Drivers of employee engagement 274
Outcomes of engagement 275
Engagement strategy 275
Enhancing job engagement 275
Enhancing organizational engagement 277
Burnout 279
Measuring engagement 279
Critical evaluation of the concept of employee engagement 280
References 283

PART VI People resourcing 287

27 Workforce planning 289

Introduction 289
Workforce planning defined 289
Incidence of workforce planning 290
The link between workforce and business planning 290
Reasons for workforce planning 290
Workforce planning issues 291
Systematic workforce planning 291
Approach to workforce planning 295
References 297

28 Recruitment and selection 299

Introduction 299
Defining requirements 299
Attracting candidates 300
Sourcing candidates 304
Managing the recruitment process 308
Selection methods 313
Selection interviews 313
Selection testing 317
Assessment centres 320
Choice of selection methods 320
Making the decision 321
Provisional offers and obtaining references 322
Checking applications 322
Offering employment 323
Following up 323
Dealing with recruitment problems 323
References 326

29 Talent management 327

Introduction 327
Talent management defined 327
Talent management policy 327
Talent management strategy 329
The process of talent management 330
The talent pool 331
Talent planning 331
Resourcing 331
Identifying talent 332
Talent development 333
References 340

PART VII Employment practices 343

30 Managing employment 345

Introduction 345
The employee experience 345
Introduction to the organization 347
Managing employee retention 349
Release from the organization 355
Absence management 357
References 364

31 Managing diversity and inclusion 365

Introduction 365
The meaning and significance of managing diversity and inclusion 365
Bias as a factor affecting diversity and inclusion 366
The rationale for managing diversity and inclusion 366
How to manage diversity and inclusion 366
References 369

32 Managing flexibility 370

Introduction 370
Forms of flexibility 370
Flexible working 372
The role of HR 374
References 375

PART VIII Learning and development 377

33 The basis of learning and development 379

Introduction 379
Learning and development defined 379
Strategic L&D 379
Creating a learning culture 380
Organizational learning strategies 381
The notion of a learning organization 381
Individual learning strategies 383
How people learn 383
References 390

34 The process of learning and development 392

Introduction 392
Identify learning needs 392
Overall approaches to learning and development 395
Plan learning and development activities 397
Implement 398
Evaluate 399
References 403

35 Learning and development practices 404

Introduction 404
Workplace learning 404
Social and collaborative working 407
Digital learning 409
Use of artificial intelligence 412

Training 413
Personal development planning 415
Apprenticeships 416
References 418

36 Leadership and management development 419

Introduction 419
Leadership and management development defined 419
The nature of leadership and management 419
Leadership and management development compared 421
Leadership development 421
Management development 423
Criteria for leadership and management development 427
References 428

PART IX Performance management 429

37 The concept of performance management 431

Introduction 431
Performance management defined 431
The conceptual framework 431
Underpinning theories 435
Aims of performance management 436
Principles of performance management 438
Examples of approaches to performance management 439
The impact of performance management 439
Requirements for success 440
References 442

38 Performance management systems 443

Introduction 443
How a performance management system works 443
Performance and development planning 443
Managing performance throughout the year 447
Performance reviews 447
Performance assessment 448
Recording the performance agreement and review 450
Introducing a performance management system 451
Requirements for success 452
360-degree feedback 453
References 455

39 Reinventing performance management 456

Introduction 456
Performance management criticisms 456

Performance management system issues 458
The role of line managers 460
Dealing with the issues – reinventing performance management 463
A radical way ahead? 467
References 468

PART X Reward management 471

40 The basis of reward management 473

Introduction 473
Reward management defined 473
Values and beliefs 474
Reward policy 475
Reward strategy 479
The reward system 482
References 487

41 The practice of reward management 489

Introduction 489
Market pricing 489
Job evaluation 490
Base pay management 491
Contingent pay 496
Recognition schemes 499
Employee benefits 499
Administering reward management 500
References 504

42 Managing reward for special groups 505

Introduction 505
Executive remuneration 505
Reward management for sales and customer service staff 508
Rewarding expatriates 510
Paying manual workers 511
References 516

43 The gender pay gap 517

Introduction 517
Reasons for the gender pay gap 517
Actions to reduce gender pay gaps 518
Narrowing the gap at organizational level 520
References 524

PART XI Employment relations 525

44 The basis of employment relations 527

Introduction 527
The meaning of employment relations 527
Employment relations policies 528
Employment relations strategies 529
Employment relations climate 529
Managing with unions 531
Managing without unions 532
References 533

45 The employment relationship 535

Introduction 535
The nature of the employment relationship 535
The basis of the employment relationship 535
Labour process theory and the employment relationship 536
Employment relationship contracts 537
Managing the employment relationship 537
Developing a climate of trust 538
References 539

46 The psychological contract 541

Introduction 541
The psychological contract defined 541
The significance of the psychological contract 542
The psychological contract and the employment relationship 542
How psychological contracts develop 542
The problem with psychological contracts 543
Developing and maintaining a positive psychological contract 543
References 544

47 The practice of industrial relations 546

Introduction 546
Trade union membership 546
Union recognition 547
Collective bargaining 547
Collective agreements 549
Informal employment relations processes 551
References 552

48 Employee voice 553

Introduction 553
The need for employee voice 553

Degrees of employee voice 554
Direct voice 555
Indirect voice 556
Employees' experience of voice 557
References 559

49 Employee communications 560

Introduction 560
The importance of employee communications 560
What should be communicated 561
Approach to communication 561
Communication methods 561
Employee communication strategy 562
References 564

PART XII Employee wellbeing 565

50 The principles and practice of employee wellbeing 567

Introduction 567
The principles of wellbeing 567
The case for caring about wellbeing 568
Factors affecting wellbeing 569
Employee wellbeing strategy 571
References 574

51 Health and safety 576

Introduction 576
Managing health and safety at work 576
Health and safety policies 576
Conducting risk assessments 577
Health and safety audits 579
Health and safety inspections 580
Accident prevention 580
Occupational health programmes 580
Managing stress 581
Measuring health and safety performance 582
Communicating the need for better health and safety practices 583
Health and safety training 583
Organizing health and safety 584
References 586

PART XIII HRM policies and practices and employment law 587

52 HR policies 589

Introduction 589
Why have HR policies? 589
Overall HR policy 589
Specific HR policies 590
Developing HR policies 594
Implementing HR policies 595

53 HR procedures 596

Introduction 596
Capability procedure 596
Disciplinary procedure 597
Grievance procedure 598
Redundancy procedure 599

54 HR information systems 602

Introduction 602
Reasons for introducing an HRIS 602
The functions of an HRIS 602
Features of an HRIS 603
References 605

55 Employment law 606

Introduction 606
The purpose of employment law 606
How is employment law enforced? 611
HRM and employment law 612
The General Data Protection Regulation (GDPR) 615
References 616

PART XIV People management skills 617

56 Strategic people management skills 619

Introduction 619
The strategic role of the HR professional 619
The strategic business partner model 619
The strategic skills required 619
Reference 620

57 Business skills 621

Introduction 621
Business skills 621
Financial skills 622
Business models 625
References 628

58 Problem-solving and decision-making skills 629

Introduction 629
Problem solving 629
Decision making 631
References 633

59 Analytical and critical skills 634

Introduction 634
Analytical skills 634
Logical reasoning 634
Critical thinking 635
Critical evaluation 635
Developing and justifying arguments 636
A final word 637
Reference 637

60 Research skills 638

Introduction 638
The nature of research 638
Planning and conducting research programmes 639
Research methodology 640
Methods of collecting data 641
Processes involved in research 644
References 648

61 Statistical skills 649

Introduction 649
Frequency 649
Measures of central tendency 649
Measures of dispersion 649
Correlation 650
Regression 650
Causality 651
Tests of significance 651
Testing hypotheses 652
References 653

62 Selection interviewing skills 654

Introduction 654
Preparing for the interview 654
Selection interviewing skills 654
Structured interviews 656
Coming to a conclusion 658
Dos and don'ts of selection interviewing 659
Reference 661

63 Job, role, competency and skills analysis 662

Introduction 662
Definition 662
Job analysis 663
Job descriptions 665
Role analysis and role profiles 666
Skills analysis 667
Competency modelling 671
References 676

64 Learning and development skills 677

Introduction 677
Coaching 677
Mentoring 678
Facilitating 678
Job instruction 679
References 681

65 Negotiating skills 682

Introduction 682
The process of negotiation 682
Stages of negotiation 682
Initial steps 682
Negotiating and bargaining skills 686
Reference 687

66 Change management 688

Introduction 688
The psychology of change management 688
Levers for change 688
The change process 688
Change models 689
Resistance to change 691
Implementing change 692
The role of change agents 693

The role of HR in leading and facilitating change 693
Change management programmes 695
Nudge theory 695
Evidencing the value of change 696
Guidelines for change management 696
References 698

67 Influencing skills 700

Introduction 700
Persuading people 700
Case presentation 701
Making a business case 701
Facilitating 702
Coordinating discussions 703

68 Leadership skills 704

Introduction 704
The meaning of leadership 704
Leadership theories 704
What leaders do 705
Leadership styles 705
Types of leaders 706
The reality of leadership 708
The qualities of a good leader 708
Effective leadership 709
References 710

69 Handling people problems 712

Introduction 712
Disciplinary issues 712
Absenteeism 713
Handling poor timekeeping 714
Handling negative behaviour 714
Dealing with under-performance 717

70 Handling challenging conversations 719

71 Managing conflict 720

Introduction 720
Handling inter-group conflict 720
Handling interpersonal conflict 721
Resolving conflict between team members 722
Reference 723

72 Political skills 724

Introduction 724
Typical political approaches 724
Using political means to get things done 725
Political sensitivity 725
Dangers of politics 725
Dealing with organizational politics 725
Reference 726

73 Dealing with business issues from an HR perspective 727

Introduction 727
Identify business issues 727
Establish people factors 728
Critically analyse relevant HR policy and practice 729
Conduct or participate in research 729
Analyse quantitative and qualitative information 729
Draw conclusions 730
Prepare and make the business case 730
Reference 731

74 Project management 732

Introduction 732
Project planning 732
Setting up the project 733
Controlling the project 733

CIPD New Profession Map 2018 735
Author index 739
Subject index 745
