<i>Foreword</i>	Marshall Goldsmith	<i>xiii</i>
<i>Preface</i>		<i>xvii</i>
Chapter 1	Political Rival	1
	You've always played it straight and gotten good results. Now you're up against a strong and cunning political rival who seems determined to derail your success.	
Chapter 2	Power Vacuum	11
	Your boss has moved on, and a successor has yet to be appointed. Suddenly, nobody is quite sure what to do.	
Chapter 3	Victoria's Secrets	21
	You've got the inside track on a big issue, and you are bound by confidentiality—but everyone keeps asking anyway.	

- Chapter 12 **Culture Shock** 111
In your new organization, you are unable to make things happen and are failing to get the results you expect.
- Chapter 13 **Firestarter** 121
You were hired to push through change, even if that meant starting a few fires and upsetting people. However, resistance is growing, and your support has vanished.
- Chapter 14 **The Outsider** 131
You are outside of the main power circles and find it difficult to influence the right people to get the job done.
- Chapter 15 **Friendly Fire** 139
Your team is spending too much time and energy fighting each other, rather than fighting the competition.
- Chapter 16 **Road to Nowhere** 149
The pressure is on to head up a special project, yet you strongly suspect that it will lead you into a career dead end.
- Chapter 17 **The Status Trap** 159
Your position carries high status that should enable you to get things done, yet you seem powerless to influence those below you.
- Chapter 18 **The Success Trap** 169
You've been highly successful, but suddenly, everything seems to be going wrong.
- Chapter 19 **The Interim** 177
You've accepted a fantastic job. The problem is that you've been told—and everyone knows—it's only a temporary position. That's when things quickly start to get awkward.
