Exhibit 6.1	Sample Business Model Statements	65
Exhibit 7.1	Closing a Program: Impact on Common and Administrative Costs	84
Exhibit 12.1	A Strategic Planning Process That Uses the Matrix Map	163

One of the most profound questions a nonprofit can ask itself is “Who is our constituency, and what does it need our organization to be?”

This book is dedicated with heartfelt gratitude and admiration to all the people in nonprofits who ask this question, and who know that financial sustainability must be accounted for in the answer.
