<i>Introduction</i>	xv
<i>Green Facts</i>	xix
<i>About the Editors</i>	xxi
PART I GREEN MANAGEMENT	1
CHAPTER 1 Raising Green by Being Green—Charity Fundraising	3
What Is “Green Fundraising,” and Why Do It?	3
Greening Your Annual Fund/Direct Mail Program	4
Greening Your Grant Writing	10
Greening Your Fundraising Events	14
Greening Your Major/Planned Gifts Program	18
Conclusion	22
CHAPTER 2 The Green Bottom Line	25
Your Budget Before and After Greening	25
Looking for Opportunities to Improve: The Green Audit	27
Green Buildings	27
Lighting	29
Heating and Cooling	29
Saving Money by Saving Water	30
Transportation	30
Meetings and Events	31
Reduce, Reuse, Recycle	32
Human Capital	32
Green Cleaning	33
Green Insurance	34
Clean Energy	34
Carbon Offsets	35
Green Printing	35
Green Bank	36

Green Computing	36
Green Offices	37
Promotion and Publicity	38
Conclusion	39
CHAPTER 3 Developing a Green Management and Employee Plan	41
Overview	41
Phase One: Developing the Green Plan	44
Phase Two: Implementation of the Green Plan	54
Phase Three: Ongoing Management, Measurement, and Improvement	55
Conclusion	57
CHAPTER 4 Creating Your Green Marketing and Communications Plan	59
Introduction	59
Green Marketing in the Corporate World	59
Green Marketing in the Environmental Movement	60
Greenwashing	61
Why Green Marketing and Communications Matter to Charities	61
Five Elements of Your Green Communications Plan	64

Thought Leadership	68
Partnerships	68
Online and Social Media	69
Taking Advantage of Opportunities	69
Communications and Public Policy	69
Whom to Talk to	70
Keeping Communications Open	70
Note of Caution: Public Officials	71
Case Study: <i>Mother Jones</i> Magazine	71
Case Study: Habitat for Humanity of Metro Denver	72
Introduction to the Appendixes	74
CHAPTER 5 Green Events	77
Yesterday and Today	77
Triple-Bottom-Line Event Planning	78
Seven Steps to Best Practices in Greening Events	80
Case Study	91
Conclusion	91

<i>Contents</i>		ix
CHAPTER 6	Greening Your Organization's Travel	93
	Introduction	93
	Carbon-Neutral Travel	94
	Green Travel Policies	97
	Learn about Your Destination	98
	While Traveling	99
	Voluntourism	101
	Selecting a Green Travel Company	102
	Sustainable Travel Award Winners	102
	Conclusion	103
PART II	THE GREEN OFFICE	105
CHAPTER 7	Building Green and Greening Your Building	107
	Getting Started	108
	Sustainable Building Design	109
	Conclusion	121
CHAPTER 8	Green Purchasing	123
	Introduction	123
	Green Labels: A Guide to Green Products	123
	Certification Process	125
	Green Labels in Use	126
	Examples of Green Purchasing	139
	Conclusion	139
CHAPTER 9	Making the Move to Green Transportation	141
	The Cost of Cars: An Environmental Toll	141
	Subsidizing Mass Transit	142
	Walking and Biking: The Scenic Route	143
	Car Sharing: Surrendering Your Keys	145
	Charging Around: The Electric Car Infrastructure	146
	Your Fleet: Available Green Cars and Trucks	147
	How to Buy a Fleet Car	152
	How to Use Incentives for Green Transportation	153
	Driving Green	155
	Fleet Management	155
	Conclusion	156

CHAPTER 10	Green Office Practices	157
	Introduction	157
	Green Strategy for the Office	160
	Eco-Friendly Furniture	161
	Office Supplies	161
	Electricity	162
	Office Equipment and Operation of Equipment	164
	Kitchen and Break Rooms	165
	Bathrooms	166
	Cleaning of the Office	166
	Waste	167
	Conclusion	172
CHAPTER 11	Green Technology Solutions	173
	Introduction	173
	Energy Management	174
	How Virtualization Makes Sense	175
	Waste Management	180
	Conclusion	189
PART III	ENVIRONMENTALLY FRIENDLY	191
CHAPTER 12	Being Green	193
	Chemical Management Systems: Roles and Responsibilities	193
	Principles of Good Chemical Management	197
	Limiting and Controlling Chemical Hazards	202
	Conclusion	205
CHAPTER 13	Closing the Loop	209
	Introduction	209
	Dealing with Waste	209
	Reduce	212
	Reuse	220
	Recycle	222
	Vendor and Source Assessment	223
	Conclusion	226
	Bibliography	226
CHAPTER 14	Water-Wise Actions in a Warming World	227
	Introduction	227
	Positive Actions and Impacts	230

<i>Contents</i>	<i>xi</i>
Water-Wise Planning and Actions	230
Long-Term Planning, Education, and Outreach for a Greener, Water-Wise Organization	240
Your Contribution to a Greener, Water-Wise Future	241
CHAPTER 15 Green Energy for Your Nonprofit	243
Introduction to Clean Energy	243
Overview of Options for Purchasing Clean Energy in the United States	248
What Is a Renewable Energy Credit?	254
Empowering Your Community to Switch to Clean Energy	256
Communicating Your Clean Energy Message	256
Conclusion	256
CHAPTER 16 Advocacy for Green Nonprofits	259
Creating a Ripple Effect	260
Advocacy = Fundraising	261
“501(c) . . . What?”	262
Getting Started with Green Advocacy	263
Greener Advocacy Tools	264
Putting Together a Green Advocacy Team	266
Online Social Media as a Green Advocacy Tool	269
Types of Advocacy: Everyday, Grassroots, and Grasstops	271
Conclusion	278
PART IV GREEN NONPROFIT OFFICE AUDIT	279
CHAPTER 17 Green Audit	281
Green Nonprofit Office Audit	281
Conclusion	300
PART V CASE STUDIES	301
CHAPTER 18 IFAW’s Green Initiative Case Study	303
Introduction	303
Background	303
Rationale	305
Key Components to the IFAW Green Initiative	306
CHAPTER 19 Connect the Dots for Conard House Case Study	323
Overview	323
Key Challenges	324

Solutions	325
Summary of Results	326
Key Success Factors	332
Conclusion	332
CHAPTER 20 Motivation for the Schizophrenia Society of Canada to Become Green	335
Organization	335
Schizophrenia Society of Canada Rising Costs	336
Developing Policies and Control Methods	342
Implementing the Green Process	343
Messaging across the Country	343
Scanning and File Tagging	344
Document Management	345
Banking and Payroll Management	346
Selling the Green Process at the National Level	347
Best Sustainable Business Practices	348
Overcoming the Negative Barriers	348
Focus on Future Sustainability	349
Think Outside the Box and on the Grass	350
Reduce, Recycle, Reuse, Realign = Reward	350
APPENDIX A Resources and Bibliography	353
Resources	353
Bibliography	362
APPENDIX B Instructions and Guides	365
Step-by-Step Instructions on Planning a Green Press Event	365
How to Work with the Media	368
Sample Media, Marketing, and Communications Materials	372
Green Event (Venue) Assessment	376
Venue Best Practices Questionnaire	377
Event Venue: Landfill Diversion Objectives Questionnaire	378
Event Venue: Energy Usage and Conservation Questionnaire	380
Event Venue and <i>Convention and Visitors Bureau</i> (CVB): Public Transportation Questionnaire	381
Event Venue: Public Water Usage and Conservation Questionnaire	381
Event Venue: Product Usage for Custodial and Maintenance	381
Event Venue Caterer: Product Usage Food, Beverage, and Services Questionnaire	382

<i>Contents</i>	xiii
Event Vendor Green Assessment	382
Best Practices Guidelines for Events	383
Special Event Planners' Best Practices Guidelines	386
Set Designer Best Practices	387
Live Earth Wish List	388
Certification Registration	389
Notes	403
Index	415
