

CONTENTS

The Life and Times of Simon Cowell **1**

One: Know Your Industry **25**

Simon Cowell's status as one of the most powerful men in the record industry has been achieved on the back of a recent run of TV shows, but he spent many years learning the music business from the bottom up.

Two: Know Your Audience **43**

Successful marketing depends on a close and intimate knowledge of your target consumers and what they want. Over the years, Cowell has honed his market research methods.

- Three: Harness the Power of the Crowd** **59**
With X Factor, American Idol and Got Talent, Cowell has harnessed the power of the crowd to find and develop bankable artists.
- Four: Think Big, Think Lateral** **77**
Cowell's latter-day business model is elegantly simple but the execution of his plans has required ambitious thinking and a strategy that spans music, television and new media.
- Five: Develop International Formats** **93**
Successful television formats can be sold around the world and Cowell has been quick to exploit the potential of his own creations.
- Six: Work with Partners** **111**
Despite his public image as a freewheeling maverick, Cowell's business success has been based on long-term collaboration with partners.
- Seven: Tell it Like it Is** **125**
Cowell's talent for plain speaking has served him well as a television personality and it is not an act. The Simon Cowell brand reflects his approach to life and business.
- Eight: Manage the Talent** **141**
The acts signed to Cowell's record label represent some of his most valuable assets. He takes care to steer their careers in a successful direction.

Nine: Learn to Roll with the Punches 157

Cowell has seen his fair share of setbacks but he has always bounced back and moved his career forward.

Ten: Get Your Name on the Title 173

By assuming a leadership role and owning assets Cowell has been able to do things his own way while earning a lot of money.
