# Index

# (octothorpe), 4, 33, 127

## A

Acronym tags, 129

Activity measures, 140–144

Adding a pulse, 91–93

Allen, Paul, 52

Altimeter Group (company),  
140, 151

Amazon.com, 125

APIs (application programming  
interfaces), 121

Apple (company), 122

Archiving inactive groups, 133

Automation

automated recommendations,  
125–126

power of simplicity in, 123–125

Avanade study, 55

## B

Barriers to success

dealing with “stupid” questions,  
102–103

fear of losing control, 97–100

integration as, 103–110

key success factors in, 179–180

legal considerations, 111–114

posting to multiple platforms,  
110–111

unlearning as, 100–101

Berger, Jonah, 84

Blogs and blogging

about, 5

author’s, 173

Booz-Allen, 96n

The Hub case study, 45–46,  
53–54

mobilizing evangelizers, 74

Booz-Allen blog, 96n

Brokers, 154–155

Buckman, Bob, 140

Business case, building, 21, 140,  
175–176

## C

Case studies. *See* RedNet case study;

The Hub case study

Channel overload, 162–163

Chatter tool, 51–52

CM (community manager) role

about, 64–65, 76

driving the pulse, 92

managing groups, 131

Cognitive Edge (company), 29

Collaboration

basis of, 145–146

downsides of, 99

innovation and, 168, 173

interaction and, 168

output of, 145

as success driver, 145

user funnel and, 40

virtual teams and, 9

- Communication
- analyzing, 143–147
  - breaking isolation with, 26–29
  - careful guidance for, 42
  - corporate, 62–65, 76
  - formal documentation as, 10
  - HR department and, 71–72
  - The Hub case study, 15, 39
  - nonverbal, 26, 108
  - notification management, 134–137
  - openness in, 93–96
  - RedNet case study, 15–16
  - via ESNs, 48, 63, 68, 73
- Communities of practice. *See* CoPs (communities of practice)
- Community manager role. *See* CM (community manager) role
- Community streams, 127
- Company stream, 126
- Confucius (philosopher), 61
- Consumerization of IT, 55
- Content
- contributing to social networks, 43
  - role of emotions in distributing, 84
  - technology considerations, 120
- Control, fear of losing, 97–100
- Coopetition, 167
- CoPs (communities of practice)
- additional information, 17n
  - community manager role and, 64
  - critical mass for, 41
  - defined, 9–10
  - enabling innovation in, 34
  - groups versus, 130–131
  - mobilizing evangelizers, 74
  - technology and, 130–134
  - transferring knowledge in, 28–29
  - virtual teams and, 9–10
- Crowdsourcing, 42
- Customers, ESNs and, 73–74, 76
- Custom streams, 126–127
- D**
- DaVinci, Leonardo, 175
- Denning, Stephen, 29
- Documentation
- as barrier to success, 103
  - knowledge flow and, 6–7, 10
  - storytelling and, 30
- Dynamic organizations, handling, 32–33
- E**
- Elias, Ric, 15
- Email, social media shift from, 31–32, 101, 135–136
- Emotions and content distribution, 84
- ESNs (enterprise social networks)
- additional resources, 181
  - breaking isolation with, 26–29
  - as communication tools, 71–72
  - defined, 2
  - dynamics within, 24–26
  - enabling innovation, 33–36
  - enabling technology (*see* Technology)
  - fighting barriers (*see* Barriers to success)
  - getting started (*see* Launching ESNs)
  - handling dynamic organizations, 32–33
  - key success factors, 175–180
  - laying the foundation for, 45–50
  - motivations for introducing, 19–24
  - organizational storytelling in, 29–32

- partners and customers in, 73–74, 76
- pre-conditions for getting started, 50–55
- roles in, 9–10, 61–77
- Evangelizer role, 66, 74–76, 83–84
- Executive sponsor role, 63, 76
- External social networks
  - contributing content to, 43
  - controlled environments and, 42
  - crowdsourcing and, 42
  - driving development in, 44
  - internal versus, 37–39
  - roles in, 62
  - scaling effectively, 43
  - size comparisons for, 39–41
  - training considerations, 42–43
  - user independence in, 41
- F**
- Facebook social network
  - about, 39–40
  - connections in, 83
  - familiarity with, 116–117
  - Google+ and, 52
  - Instagram acquisition, 44–45
  - internal network equivalents, 118–120
- Fear of losing control, 97–100
- Fermi decomposition, 139–140
- Find engines, 125–126
- FISH! philosophy, 59n
- Folksonomies, 10
- Follower relationship, 149
- Future Foundation study, 168
- G**
- Gates, Bill, 139
- Getting ESNs started. *See* Launching ESNs
- Goodnight, Jim, 51
- Google+, 52
- Google facility tour, 55
- Google search, 37–38, 115–116
- Gretzky, Wayne, 79
- Groups
  - archiving inactive, 133
  - communities versus, 130–131
  - creating, 132
  - in dynamic organizations, 33
  - as ESN roles, 66–74
  - leadership development, 71
  - managing, 131
  - mobilizing evangelizers, 74–76
  - pre-forming, 132
  - private, 33, 73, 103, 144, 153–154
  - technology, 66–68, 76, 120, 130–134
  - when launching ESNs, 47–48, 53–55
