Focusing on decision making .....	73
Seeing where the process kicks in.....	74
Wondering what an Exception Assessment is .....	75
Seeing the integration of exception management .....	75
Practising With Some Questions .....	76
Foundation-level questions .....	76
Practitioner-level questions .....	79
Answers to the Foundation-level questions .....	83
Answers to the Practitioner-level questions .....	84
<b>Chapter 6: Initiating a Project</b> .....	<b>87</b>
Revising the Initiation Process .....	87
Revision checklist – Foundation .....	88
Revision checklist – Practitioner .....	88
Clarifying Some Key Points .....	89
Getting an overview of Initiating a Project .....	89
Understanding the process and the stage.....	89
Knowing why feasibility isn't Initiation.....	90
Seeing how the PID fits with other products.....	90
Appreciating the full use of the PID.....	91
Getting clear on the Benefits Review Plan.....	91
Practising With Some Questions .....	92
Foundation-level questions .....	93
Practitioner-level questions .....	95
Answers to the Foundation-level questions .....	98
Answers to the Practitioner-level questions .....	99
<b>Chapter 7: Controlling a Stage</b> .....	<b>101</b>
Revising the Controlling a Stage Process .....	101
Revision checklist – Foundation .....	102
Revision checklist – Practitioner .....	103
Clarifying Some Key Points .....	104
Understanding Work Packages .....	104
Getting to grips with exception management .....	104
Being clear on when to escalate and when not to.....	105
Appreciating the extent of the stage status review.....	105
Handling issues and risks .....	106
Practising With Some Questions .....	106
Foundation-level questions .....	107
Practitioner-level questions .....	110
Answers to the Foundation-level questions .....	113
Answers to the Practitioner-level questions .....	114

<b>Chapter 8: Managing Product Delivery</b> .....	<b>117</b>
Revising the Managing Product Delivery Process.....	117
Revision checklist – Foundation .....	118
Revision checklist – Practitioner .....	119
Clarifying Some Key Points .....	119
Understanding who runs the process .....	120
Seeing when to produce a Team Plan .....	120
Understanding the exception cascade.....	120
Looping the loop with teamwork.....	121
Practising With Some Questions .....	121
Foundation-level questions .....	122
Practitioner-level questions .....	125
Answers to the Practitioner-level questions .....	130
<b>Chapter 9: Managing a Stage Boundary</b> .....	<b>133</b>
Revising the Managing a Stage Boundary Process.....	134
Revision checklist – Foundation .....	135
Revision checklist – Practitioner .....	135
Clarifying Some Key Points .....	136
Understanding the two triggers .....	136
Seeing why exception doesn't always need the stage boundary process.....	136
Knowing what gets created and what gets updated .....	137
Practising With Some Questions .....	137
Foundation-level questions .....	138
Practitioner-level questions .....	141
Answers to the Foundation-level questions .....	145
Answers to the Practitioner-level questions .....	145
<b>Chapter 10: Closing a Project</b> .....	<b>147</b>
Revising the Closure Process.....	147
Revision checklist – Foundation .....	147
Revision checklist – Practitioner .....	148
Clarifying Some Key Points .....	149
Having a closure stage . . . or not.....	149
Understanding follow-on actions .....	149
Seeing why benefits reviews can come later.....	150
Updating the Benefits Review Plan.....	150
Practising With Some Questions .....	150
Foundation-level questions .....	151
Practitioner-level questions .....	154
Answers to the Foundation-level questions .....	157
Answers to the Practitioner-level questions .....	158

---

**Part III: Revising the Themes ..... 161**
**Chapter 11: Business Case ..... 163**

Revising the Business Case Theme .....	163
Revision checklist – Foundation .....	164
Revision checklist – Practitioner .....	164
Clarifying Some Key Points .....	165
Understanding project justification.....	165
Seeing the Business Case as a living document.....	166
Realising when benefits may be realised .....	167
Practising With Some Questions .....	168
Foundation-level questions .....	169
Practitioner-level questions .....	171
Answers to the quick quiz .....	175
Answers to the Foundation-level questions .....	176
Answers to the Practitioner-level questions .....	177

**Chapter 12: Organization ..... 179**

Foundation-level questions .....	185
Practitioner-level questions .....	187
Answers to the quick quiz .....	192
Answers to the Foundation-level questions .....	192
Answers to the Practitioner-level questions .....	193

**Chapter 13: Quality ..... 195**

Revising the Quality Theme .....	195
Revision checklist – Foundation .....	196
Revision checklist – Practitioner .....	197
Clarifying Some Key Points .....	197
Understanding the focus on appropriate quality .....	197
Planning the quality management .....	198
Appreciating the place of the Product Description.....	198
Understanding the Quality Register .....	198
Understanding Quality Review.....	199

Practising With Some Questions .....	200
Foundation-level questions .....	200
Practitioner-level questions .....	202
Answers to the quick quiz on Quality Review.....	206
Answers to the Foundation-level questions .....	206
Answers to the Practitioner-level questions .....	207
<b>Chapter 14: Plans .....</b>	<b>209</b>
Finding PRINCE2 Planning a Bit Unusual? .....	209
Revising the Plans Theme .....	210
Revision checklist – Foundation .....	210
Revision checklist – Practitioner .....	211
Clarifying Some Key Points .....	212
Seeing the difference between a PBS and a PFD .....	212
Understanding why there are levels of plan.....	213
Knowing how the Product Checklist works .....	215
Checking Out Diagrams in the Practitioner Exam .....	215
Checking a Product Breakdown Structure .....	215
Checking a Product Flow Diagram.....	216
Practising With Some Questions .....	217
Foundation-level questions .....	217
Practitioner-level questions .....	220
Answers to the quick quiz .....	223
Answers to the Foundation-level questions .....	224
Answers to the Practitioner-level questions .....	224
<b>Chapter 15: Risk .....</b>	<b>227</b>
Revising the Risk Theme .....	227
Revision checklist – Foundation .....	228
Revision checklist – Practitioner .....	229
Clarifying Some Key Points .....	229
Seeing risk as positive and negative.....	229
Learning the risk actions for the Foundation.....	230
Understanding the risk budget .....	232
Appreciating that the process isn't a cycle.....	232
Practising With Some Questions .....	232
