FOREWORD

Keeping confidential a client's business is a well-known principle of confidentiality in common law.

While lawyers in their own jurisdiction may not be bound by the same principle in foreign jurisdictions, the principle is the same. *Chems. Ltd.* communicated privileged information to those communicating the Akzo.

One of the approaches to common law confidentiality in civil law jurisdictions they are no longer.

The ongoing confrontation of basic underlying jurisdiction to reflect suggestions in 2006. We have suggestions.

We would like to be co-edited.
