**Index**..... 897

## Acknowledgement

This book is based on the book originally authored by David Flux, a former Senior Tax Partner of KPMG, in 1981 and updated by him annually until 1992. Although the book has undergone substantial revision and expansion over the years since he retired and relinquished responsibility for its updating, the present authors gratefully acknowledge the thought and effort which David Flux put into its original creation without which the book would not exist.
