Brainstorming with colleagues.....	89
Looking closely at your list.....	89
Using a Keyword Tool.....	93
Using the free Google keyword tool.....	94
Using Wordtracker.....	98
Yet more keyword tools.....	103
Choosing Your Keywords.....	103
Can again? You might be missing the target.....	104
Ambiguous terms.....	104
Very broad terms.....	104
Picking combinations.....	105

### **Chapter 7: Creating Pages That Search Engines Love ..... 107**

Preparing Your Site.....	107
Finding a hosting company.....	108
Picking a domain name.....	108
Seeing Through a Search Engine's Eyes.....	110
Understanding Keyword Concepts.....	113
Picking one or two phrases per page.....	113
Checking prominence.....	114
Watching density.....	115
Placing keywords throughout your site.....	115
Creating Your Web Pages.....	116
Naming files.....	116
Creating directory structure.....	116

Viewing TITLE tags .....	117
Using the DESCRIPTION meta tag .....	119
Tapping into the KEYWORDS meta tag .....	121
Using other meta tags .....	122
Including image ALT text .....	123
Adding body text .....	124
Creating headers: CSS versus <H> tags .....	125
Formatting text .....	126
Creating links .....	127
Using other company and product names .....	128
Creating navigation structures that search engines can read .....	129
Using rich snippets and schemas .....	130
Blocking searchbots .....	132
<b>Chapter 8: Avoiding Things That Search Engines Hate .....</b>	<b>135</b>
Dealing with Frames .....	135
The HTML Nitty-Gritty of Frames .....	137
Providing search engines with the necessary information .....	139
Providing a navigation path .....	140
Opening pages in a frameset .....	141
Handling iframes .....	142
Fixing Invisible Navigation Systems .....	143
Looking at the source code .....	144
Turning off scripting and Java .....	145
Fixing the problem .....	147
Flush the Flash Animation .....	147
Avoiding Embedded Text in Images .....	148
Reducing the Clutter in Your Web Pages .....	149
Use external JavaScripts .....	150
Use external CSS files .....	151
Move image maps to the bottom of the page .....	151
Avoid the urge to copy and paste from MS Word .....	152
Managing Dynamic Web Pages .....	152
Determining whether your dynamic pages are scaring off search engines .....	153
Fixing your dynamic Web page problem .....	155
Using Session IDs in URLs .....	156
Examining Cookie-Based Navigation .....	158
Fixing Bits and Pieces .....	160
Forwarded pages .....	160
Image maps .....	160
Special characters .....	161
<b>Chapter 9: Dirty Deeds, Done Dirt Cheap .....</b>	<b>163</b>
Tricking Search Engines .....	164
Deciding whether to trick .....	164
Figuring out the tricks .....	165
Do these tricks work? .....	165

Concrete Shoes, Cyanide, TNT — An Arsenal for Dirty Deeds .....	166
Keyword stacking and stuffing .....	166
Hiding (and shrinking) keywords .....	168
Hiding links .....	170
Duplicating pages and sites .....	170
Page swapping and page jacking .....	171
Doorway and Information Pages .....	171
Using Redirects and Cloaking .....	173
Understanding redirects .....	173
Examining cloaking .....	174
Tricks versus Strategies .....	176
Link Tricks .....	177
Paying the Ultimate Penalty .....	177

## **Chapter 10: Bulking Up Your Site — Competing with Content . . . . 179**

Creating Content Three Ways .....	180
Writing Your Own Stuff .....	181
Summarizing online articles .....	182
Reviewing Web sites and products .....	182
Convincing Someone Else to Write Content .....	183
Using OPC (Other People's Content) .....	184
Understanding Copyright — It's Not Yours! .....	185
Hunting for Other People's Content .....	187
Keywords .....	187
Product information .....	187
Web sites and e-mail newsletters .....	188
Government sources .....	190
Content-syndication sites .....	191
Traditional syndication services .....	194
RSS syndication feeds .....	195
Open content and copyleft .....	197
Search results pages .....	197
Press releases .....	198
Q&A areas .....	199
Message boards .....	199
Blogs .....	199
A Word about Duplicated Content .....	200

## **Chapter 11: Finding Traffic Through Local-Search Marketing . . . . 203**

Why You Shouldn't Skip This Chapter .....	203
Understanding Local-Search Marketing's Importance .....	204
Looking Through Local Search .....	205
How Does Local Search Work? .....	206
Search terms .....	207
Partner and localized sites .....	207
IP numbers .....	207
Two Ways to Reach People Locally .....	209

“Localizing” Your Web Pages.....	210
Use the Geo meta tags.....	211
Registering for Local Search.....	212
Grabbing control of (or adding) your business listing.....	213
Increasing the odds.....	217
Finding More Local Systems.....	218
Don’t Forget Local-Local Directories.....	219
The Other Side of Local: Review Sites.....	220
Removing bad reviews.....	221
Diluting bad reviews.....	222
Identifying important review sites.....	222
Working with the Yellow Pages.....	223

## ***Part III: Adding Your Site to the Indexes and Directories..... 227***

### **Chapter 12: Getting Your Pages into the Search Engines..... 229**

Linking Your Site for Inclusion.....	230
Simple Link Submissions to the Major Systems.....	230
Submitting an XML Sitemap.....	231
Creating your sitemap.....	232
Submitting your sitemaps.....	234
Using Webmaster tools, too.....	237
Submitting to Secondary Systems.....	239
Using Registration Services and Software Programs.....	240

### **Chapter 13: Submitting to the Directories..... 243**

Pitting Search Directories Against Search Engines.....	243
Why Are Directories So Significant?.....	245
Submitting to the Search Directories.....	246
Submitting to Yahoo! Directory.....	246
Submitting to the Open Directory Project.....	250
Finding Specialized Directories.....	251
Finding directories other ways.....	253
Getting the link.....	254
Using “Local” Directories.....	257
Submitting to Second-Tier Directories.....	257
Finding second-tier directories.....	257
Avoiding payment — most of the time.....	258

### **Chapter 14: Product Search: Remember the Shopping Directories and Retailers..... 259**

Understanding Where People Search for Products.....	259
Working with the Product Indexes.....	261

Google Product Search.....	263
Yahoo! Shopping, PriceGrabber, and PrecioMania .....	264
Bing Shopping .....	265
Ask.com and Pronto .....	266
TheFind .....	266
Shopping.com.....	266
BizRate & Shopzilla.....	267
NexTag.....	267
Pricewatch .....	268
Exploring More Shopping Services .....	269
The Classified-Ad Sites.....	271
Working with E-Commerce or Merchant Sites.....	271
Working with eBay.....	272
Working with Amazon .....	272
Managing Your Data .....	273
The data you need .....	274
Formatting guidelines.....	275
Creating your spreadsheet .....	276
Getting those product URLs.....	276
Creating individual sheets.....	278
Creating and uploading your data files.....	281
Multichannel, automated data management.....	282

***Part IV: After You've Submitted Your Site ..... 283***

**Chapter 15: Using Link Popularity to Boost Your Position . . . . . 285**

Why Search Engines Like Links .....	286
Google: All about links .....	286
Links: The gift that keeps on giving.....	287
Understanding Page Value and PageRank.....	288
PageRank — one part of the equation.....	289
The PageRank algorithm.....	290
Measuring PageRank .....	293
Leaking PageRank .....	295
Page Relevance .....	296
Hubs and Neighborhoods.....	297
Trust in TrustRank .....	299
Inserting Keywords into Links .....	299
The Googlebomb lives.....	301
PageRank versus Keywords.....	302
Good Links and Bad .....	302
Recognizing Links with No Value .....	304
Identifying links that aren't links .....	304
Identifying nofollow links.....	306
Recalling a Few Basic Rules about Links .....	307

<b>Chapter 16: Finding Sites to Link to Yours</b> . . . . .	<b>309</b>
Controlling Your Links . . . . .	310
Converting good links to bad . . . . .	310
The perfect link text . . . . .	310
Doing a Link Analysis . . . . .	312
Google . . . . .	312
Link popularity software . . . . .	312
Generating Links, Step by Step . . . . .	315
Register with search directories . . . . .	316
Ask friends and family . . . . .	317
Ask employees . . . . .	317
Contact association sites . . . . .	317
Contact manufacturers' Web sites . . . . .	318
Contact companies you do business with . . . . .	318
Ask to be a featured client . . . . .	318
Submit to announcement sites and newsletters . . . . .	318
Send press releases . . . . .	319
Create a little linkbait . . . . .	320
Find sites linking to your competition . . . . .	321
Ask other sites for links . . . . .	321
Make reciprocal link requests . . . . .	322
Search for keyword "add url" . . . . .	324
Mention your site in discussion groups . . . . .	326
Working with blogs . . . . .	327
Pursue offline PR . . . . .	327
Give away content . . . . .	327
Advertise . . . . .	328
Use a service or buy links . . . . .	328
Just wait . . . . .	330
Fuggetaboutit . . . . .	331
Be Careful Whom You Link To! . . . . .	331
<b>Chapter 17: Even More Great Places to Get Links</b> . . . . .	<b>333</b>
Got Content? Syndicate It! . . . . .	333
Four syndication technologies . . . . .	334
Getting the most out of syndication . . . . .	335
Article libraries: Getting the word out . . . . .	336
Syndication services . . . . .	337
Who will write your articles? . . . . .	337
High-value article sites . . . . .	338
Syndicating utilities . . . . .	339
And More Link-Building Ideas . . . . .	340
The nofollow Curse . . . . .	340
Who's Going to Do All This Work?! . . . . .	341

**Chapter 18: Social Networking — Driven by Drivel . . . . . 343**

- Just What Is Social Networking? ..... 343
- Beware the Social-Networking Hype ..... 345
- The Drivel Factor ..... 346
- The SEO Benefits of Social Networking..... 347
  - Getting links through social-networking sites..... 347
  - Grabbing search engine real estate..... 348
  - The social-networking sites are search engines ..... 349
- The Google+ Factor ..... 349
  - Search Plus Your World..... 351
  - Google +1..... 351
- Social Networking — a Book in Itself ..... 352

**Chapter 19: Video: Putting Your Best Face Forward . . . . . 353**

- The SEO Benefits of Video ..... 353
  - Videos on your site..... 354
  - Playing the video search engine game..... 356
  - Grabbing search engine real estate..... 358
