PART I

CONSTRUCTION PROCESS AND THE LAW

CHAPTER 1 THE HONG KONG CONSTRUCTION INDUSTRY

1. Law and Construction	1.001
(a) Need for specialised knowledge	1.001
(b) Overview of text	1.003
2. Nature of Industry	1.004
(a) Economic importance of construction industry	1.004
(b) Construction activities	1.006
(c) Problems in the construction industry	1.007
3. Nature of Construction Work	1.009
(a) Unique characteristics of construction projects	1.009
(b) Unique approach to problem solving	1.011
4. Processes in Construction Projects	1.015
(a) Phases of construction	1.015
(b) Determining value in construction projects	1.019
5. Trend and Development	1.020
(a) Global reforms	1.020
(b) Developments in Hong Kong	1.022

CHAPTER 2 PARTIES INVOLVED IN THE CONSTRUCTION INDUSTRY

1. Overview	2.001
(a) Scope of the construction industry.....	2.001
(b) Range of human resources required.....	2.003

2. Project Initiators.....	2.005
(a) Employer / Developer	2.005
(b) Project manager	2.008
3. Consultants	2.014
(a) Project design professionals	2.014
(b) Licensing of authorised person	2.015
(c) Responsibilities of authorised person	2.016
(d) Architect	2.017
(e) Structural engineer/building services engineer	2.019
(f) Quantity surveyor	2.023
(g) Clerk of works / Inspector of works.....	2.026
(h) Other consultants	2.028
4. Buildings Department	2.029
(a) Statutory control of construction works	2.029
(b) Administration of the Building Ordinance	2.030
5. Contractors	2.033
(a) Choosing a contractor	2.033
(b) Main contractor/domestic subcontractor/nominated subcontractor	2.036
(c) Management contractor	2.038
(d) Design-build contractor	2.039
6. Technically Competent Person	2.041
(a) Classes of supervision	2.041
(b) Role of the technically competent person	2.044

CHAPTER 3 PROCUREMENT METHODS

1. Introduction.....	3.001
(a) Composition of project teams	3.001
(b) Overview of procurement	3.002
2. Methods of Procurement.....	3.005
(a) Factors affecting choice of arrangement	3.005
(b) Traditional general contracting	3.006
(c) Design and build	3.010
(d) Management contracting.....	3.013
(e) Construction management	3.017
3. Types of Contracts.....	3.019
(a) Based on payment method	3.019
(b) Lump sum fixed-price contract	3.020
(c) Measurement contract.....	3.022
(d) Cost-reimbursement contract.....	3.023

4. Tendering Procedures	3.025
(a) Tender documents	3.025
(i) Types of documents.....	3.025
(ii) Bills of quantities	3.027
(iii) Drawings	3.028
(iv) Specifications	3.029
(b) Tendering methods	3.031
(i) Selection of main contractor	3.031
(ii) Open tendering.....	3.032
(iii) Selective tendering.....	3.034
(iv) Negotiated tendering	3.038
(c) Submission of tender.....	3.039
(i) Responsibilities of tenderers	3.039
(ii) Review of submitted tenders.....	3.042
(d) Assessment of tender in public works contracts.....	3.043
(i) Approved lists	3.043
(ii) Central Tender Board	3.046
(iii) Public Works Tender Board.....	3.047
(iv) World Trade Organisation	3.050

CHAPTER 4 PRINCIPLES OF CONTRACT

1. Formation of Contract	4.001
(a) General principles	4.001
2. Essential Features	4.004
(a) Key requirements	4.004
(i) Agreement	4.005
(ii) Contractual intention	4.007
(iii) Consideration	4.008
(b) Freedom to enter into contract	4.009
(c) Objective test	4.011
(d) Standard forms	4.013
3. Offers and Acceptance	4.014
(a) Importance of offer and acceptance	4.014
(b) Invitation to treat	4.015
(c) Invitation to tender	4.020
(d) Offer	4.023
(e) Tender	4.028
(f) Cost of tendering	4.036
(g) Acceptance	4.038
(h) Letters of intent	4.042

(i) Battle of forms	4.047
(j) Standing offers	4.050
(k) Incomplete agreements	4.052
4. Certainty of Terms	4.057
(a) Determination of binding force	4.057
(b) Custom and trade usage	4.063
(c) Reasonableness	4.064
(d) Meaningless and self-contradictory terms	4.065
(e) Subject to details	4.066
(f) Subject to contract	4.067
(g) Back-to-back	4.071
(h) Incorporation of terms by reference	4.077
(i) Contract price	4.078
5. Capacity of Parties	4.081
(a) Contract invalid without necessary capacity	4.081
(b) Corporation	4.083
(c) Partnerships	4.085
(d) Unincorporated association	4.087
(e) Hong Kong construction entities	4.089
(f) Joint ventures	4.091
6. Consideration	4.092
(a) Definition	4.092
(b) Rules regarding consideration	4.095
(i) Flow from promise	4.095
(ii) Invalid if past	4.096
(iii) Not necessary to be adequate	4.098
(iv) Required to be sufficient	4.099
(v) Must be definite in nature	4.103
7. Contractual Intention	4.106
(a) Objective test	4.106
(b) Situations where a contractual intention is presumed	4.109
(c) Situations where the absence of a contractual intention is presumed	4.113
8. Doctrine of Privity	4.116
(a) Rights of third parties	4.116
(b) Hong Kong position	4.119
9. Breach of Contract	4.121
(a) Forms of breach	4.121
(b) Effect of breach	4.123
(i) Cause for action but not necessarily discharge	4.123
(ii) Condition versus warranty	4.125

(c) Breach of conditions of contract and non-payment	4.128
(i) Relief from future performance	4.128
(ii) Repudiation for non-payment	4.132
(iii) Creatiles Building Materials Co Ltd v To's Universe Construction Company Ltd	4.135
(iv) Reasonable cause to suspend work	4.139
(v) Pointless to proceed	4.150
(d) Remedies for breach	4.151
(i) Purpose of damages	4.151
(ii) Cost of repair	4.153
(iii) Losses consequential to breach	4.154
(iv) Foreseeability of damage	4.155
(v) Repudiation or recovery of damages	4.158
(vi) Principle of election	4.162
(vii) Duty to mitigate own loss	4.164
(viii) Court order for performance	4.167
(ix) Injunction	4.169
(x) Quantum meruit	4.173
(xi) Extinction of remedies	4.175
10. Misrepresentation	4.179
(a) General	4.179
(i) Types of pre-contract statements	4.179
(ii) Mere puff	4.180
(iii) Term of contract	4.181
(iv) Representation	4.182
(v) Misrepresentation of opinion	4.183
(vi) Misrepresentation of intention	4.185
(vii) Misrepresentation of law	4.186
(viii) Effect of misrepresentation	4.187
(b) Types of misrepresentation	4.190
(i) Remedies based on type	4.190
(ii) Fraudulent misrepresentation	4.191
(iii) Negligent misrepresentation	4.192
(iv) Innocent misrepresentation	4.194
(v) Principal remedies	4.195
(c) Remedies for misrepresentation	4.196
(i) Fraudulent misrepresentation	4.196
(ii) Negligent misrepresentation	4.197
(iii) Innocent misrepresentation	4.198
(iv) Loss of remedy of rescission	4.200

11. Mistake and Rectification	4.201
(a) General	4.201
(i) Effect of mistake	4.201
(ii) Types of mistake	4.202
(iii) Mutual mistake	4.205
(iv) Unilateral mistake	4.210
(v) Non est factum	4.213
(vi) Rectification	4.217
12. Duress and Undue Influence	4.227
(a) Undue influence	4.227
(b) Economic duress	4.230
13. Illegality	4.235
(a) General	4.235
(b) Court's position	4.237
(c) Effect based on weight of illegality	4.238
(d) Quantum meruit claim	4.239
(e) Enforceability of illegal contract	4.240

CHAPTER 5 CONTENTS OF CONTRACT

1. Extent of Obligations	5.001
2. Express Terms	5.004
(a) General principles	5.004
(b) Exemption clauses	5.020
(c) Liquidated damages clauses	5.029
(d) Time bar clauses	5.049
(e) Forfeiture clauses	5.056
(f) Set-off clauses	5.071
3. Implied Terms	5.079
(a) Statutory implication	5.081
(b) Necessary implication and obvious inference	5.095
(c) Duty to cooperate	5.108
(d) Duty not to prevent completion	5.125
(e) Other implied terms	5.134

CHAPTER 6 CONSTRUCTION OF CONTRACT

1. Goal of Interpretation	6.001
(a) Objective intention of parties	6.001
(b) Determination of correct meaning	6.006

2. Principles of Interpretation	6.009
(a) General	6.009
(b) Examination of express terms	6.011
(c) Court preference for non-voidable meaning	6.014
(d) Non-standard or technical meanings	6.016
(e) Contract presumed a consistent document	6.021
(f) Interpretation of ambiguous term	6.022
(g) Unreasonable terms not voidable, if unambiguous	6.024
3. Parol Evidence Rule	6.027
(a) Operation of parol evidence rule	6.027
(b) Summary of principles	6.030
4. Factual Matrix and Business Sense	6.032
(a) Scope of factual matrix	6.032
(b) Common sense approach	6.037
(c) Technical versus commercial meanings	6.039
5. Contra Proferentem Rule	6.044
(a) Application of contra proferentem rule	6.044
(b) Rationale of contra proferentem rule	6.046
(c) Rule not applicable to standard form contract terms	6.048
6. Ejusdem Generis Rule	6.049
(a) Application of ejusdem generis rule	6.049
7. Particular Principles	6.055
(a) Priority of words written, typed and deleted	6.055
(b) Incorporation of documents	6.064
(c) Impossibility	6.068

CHAPTER 7 COLLATERAL AGREEMENTS

1. Overview	7.001
(a) Types of collateral agreements	7.001
2. Agreement Between Same Parties	7.005
(a) Application of parol evidence rule	7.005
(b) Exceptions to parol evidence rule	7.009
(c) Determining whether a collateral agreement exists	7.016
3. Agreement With Third Party	7.024
(a) Collateral warranty	7.024
(b) Use of collateral warranty in Hong Kong	7.027
4. Collateral Warranty Regarding the Designer	7.029
(a) Responsibility of the designer	7.029
(b) Usual level of competence	7.031
(c) Designer's liability for fitness of purpose	7.032

CHAPTER 8 ESTOPPEL AND WAIVER

1. Estoppel and Waiver	8.001
(a) Definition	8.001
(b) Distinction between estoppel and a waiver	8.006
2. Estoppel by Conduct	8.008
(a) Forms of estoppel by conduct	8.008
(b) Estoppel by convention or agreement	8.009
(c) Estoppel by representation	8.014
3. Promissory Estoppel	8.020
(a) The purpose of promissory estoppel	8.020
(b) Operation of promissory estoppel	8.021
(c) Defensive in nature	8.022
(d) Development of estoppel in Australia	8.026
4. Waiver	8.027
(a) Distinction between waiver and election	8.027
(b) Changes to performance of contract	8.029
(c) Insistence on strict compliance	8.031

CHAPTER 9 TORT

1. Law of Torts	9.001
(a) Definition of tort	9.001
(b) Function of the law of torts	9.004
(c) Tort versus contract	9.005
(d) Interaction of tort and contract	9.006
(e) Remedy in tort	9.012
2. Negligence	9.013
(a) Definition of negligence	9.013
(b) Duty of care	9.016
(i) Donoghue v Stevenson principle	9.016
(ii) Damage foreseeable by a reasonable man	9.019
(iii) Physical damage to property	9.020
(iv) Foreseeability, proximity and fairness	9.022
(v) No duty of care	9.026
(c) Breach of duty	9.031
(i) 'Reasonable man' test	9.031
(ii) Special skill may be considered	9.034
(iii) Bolam test	9.035
(iv) Res ipsa loquitur rule	9.037

(d) Damage	9.040
(i) Determination of damage	9.040
(ii) Causation	9.041
(iii) 'But for' test	9.042
(iv) More than one cause	9.043
(v) Quantification of damage	9.044
(e) Economic loss	9.048
(i) Liability for economic loss	9.048
(ii) Recovery of economic loss is restrained	9.050
(iii) Hedley Byrne principle	9.052
(iv) Economic loss arising from defective buildings	9.055
(v) Hong Kong law in relation to defective buildings	9.061
(vi) Reworking of Hedley Byrne principle	9.062
(f) Contributory negligence	9.064
(i) Court determines the just and equitable amount	9.064
(ii) Defendant's liability under contract	9.069
(iii) Concurrent delay	9.070
3. Occupiers' Liability	9.071
(a) Governing legislation	9.071
(b) Statutory duty of care	9.072
(c) Occupier	9.078
(d) Independent contractors	9.082
(e) Warning	9.086
(f) Trespassers	9.090
4. Nuisance and Ryland v Fletcher	9.094
(a) Types of nuisance	9.094
(b) Interference with enjoyment of land	9.095
(c) Competing rights of neighbours	9.098
(d) Right to support of land	9.099
(e) Duty to reduce nuisance	9.100
(f) Rylands v Fletcher	9.101
(g) Non-natural use of premises	9.103
(h) Liability cannot be delegated	9.105
5. Trespass to Land	9.106
(a) Definition of trespass	9.106
(b) Termination of contract leading to trespass	9.107

CHAPTER 10 STATUTORY DUTIES

1. Breach of Statutory Duties	10.001
(a) Civil and criminal liability	10.001
(b) Intention of legislation to create duty under tort	10.003

(c) Contractor liability in relation to subcontractor breach	10.005
(d) Strict liability offences	10.006
(e) Offences requiring mens rea	10.008
(f) Liability in joint ventures	10.011
2. Building Control	10.012
(a) Buildings Ordinance and Building Authority	10.012
(i) Buildings Ordinance (Cap 123)	10.012
(ii) Scope of the Building Authority	10.013
(iii) Growing complexity of building regulation	10.015
(b) Building works control	10.018
(i) Definition of building works	10.018
(ii) Process of approval for building works	10.020
(iii) Unauthorised building works	10.023
(iv) Power to order cessation of works	10.025
(v) Occupation permits	10.027
(vi) Wilful concealment of substandard works	10.029
(c) Building maintenance	10.030
(i) Normal duties of owners	10.031
(ii) Orders to rectify unsafe situations	10.033
(iii) Compliance with orders	10.035
3. Environmental Protection	10.038
(a) Governing legislation	10.038
(b) Air pollution	10.039
(i) Scope of Air Pollution Control Ordinance (Cap 311)	10.039
(ii) Application of section 9	10.041
(iii) Pollutants controlled by statute	10.045
(c) Noise control	10.046
(i) Scope of the Noise Control Ordinance (Cap 400)	10.046
(ii) Noise abatement notices	10.048
(iii) Other controls on noise pollution	10.051
(d) Water pollution	10.053
(i) Applicable legislation	10.053
(ii) Obligations of licensee	10.054
(e) Solid waste control	10.057
(i) Applicable legislation	10.057
(f) Environmental Impact Assessment	10.061
(i) Purpose of legislation	10.061
(ii) Procedure for obtaining environmental permit	10.062
(iii) Addressing public interest	10.065
(iv) The granting or refusal of permit	10.067

4. Site Safety	10.071
(a) Relevant legislation	10.071
(b) Duty to reasonably ensure health and safety	10.073
(c) Legislation in operation: examples	10.075
(d) Other safety legislation	10.079
5. Immigration Offences	10.080
(a) Responsibility of employer to check employees' legal status	10.080

PART II

LAWS IN THE CONTEXT OF CONSTRUCTION CONTRACTS

CHAPTER 11 PROCUREMENT, TENDER AND PRICE

1. The Procurement Process	11.001
(a) Avoidance of dispute	11.001
(b) Tender or negotiation approach	11.002
(c) Open versus limited tender system	11.004
(d) Rationale for the tendering process	11.005
(e) Pre-qualification	11.006
(f) Stages in the tendering	11.008
(g) Evaluation of the tenders	11.009
(h) Combining tendering and negotiation	11.010
(i) Acceptance of a tender	11.011
2. Legal Aspects of Public Procurement	11.012
(a) Principles of government procurement	11.012
(b) Judicial review	11.016
(c) WTO Agreement on Government Procurement	11.018
(d) Doctrine of legitimate expectation	11.026
(e) Public versus private decision	11.028
(f) Review Body on Bid Challenges	11.030
(g) Restricted tender arrangements	11.032
3. Invitation to Tender and Tendering	11.037
(a) Invitation to treat	11.037
(b) No set formalities in construction contracts	11.038
(c) Acceptance must be pertinent and unambiguous	11.041
(d) Employer not obligated to accept any tender	11.042
(e) Invitation to tender may be an 'if' contract	11.047

(f) Distinct from request to develop design	11.050
(g) Tender for works as employer may order	11.051
(h) Documentation involved in an invitation to tender	11.053
(i) Costs of tendering	11.055
4. Acceptance of Tender	11.058
(a) Unconditional acceptance	11.058
(b) Counter-offers	11.059
(c) Acceptance by conduct	11.060
(d) Subject to contract	11.061
(e) Agreement on essential terms	11.066
(f) Quantum meruit	11.068
(g) Qualified tenders	11.070
5. Withdrawal of Tender	11.073
(a) Designated period of validity	11.073
(b) Termination of offer	11.076
(c) Mistake in tender	11.077
6. Letter of Intent	11.078
(a) Effect of letter of intent	11.078
(b) Interpretation of obligations	11.083
(c) Condition precedent	11.086
7. Price	11.087
(a) Fixing the price	11.087
(b) Implied term of reasonable rates	11.088
(c) Pricing schemes	11.089
(d) Lump sum/fix price contracts	11.091
(e) 'Without quantities'	11.094
(f) 'With quantities'	11.096
(g) Remeasurement contracts	11.099
(h) Non-traditional contract forms	11.103
(i) 'Turnkey' or 'design-build' contracts	11.104
(ii) 'Management' contracts	11.107
(i) Adjustments to price	11.108
(j) Index-based price adjustment	11.110
(k) Adjusting price by provisional sum of prime cost	11.114

CHAPTER 12 PERFORMANCE BOND, GUARANTEES AND COLLATERAL WARRANTIES

1. Insurance and Surety Bonds	12.001
2. Bid Bonds	12.007
3. Payment Bonds	12.009

4. Performance Bonds — Demand or Conditional	12.010
5. Release and Discharge	12.024
6. Summary	12.027

CHAPTER 13 INSURANCE AND INDEMNITY

1. Types of Liability	13.001
2. Clause 18 – Employer's Indemnity Clause Regarding Injury to Persons and Property	13.002
(a) Clause 18(1)	13.002
(b) Clause 18(2)	13.005
3. Negligence	13.007
4. Clause 19 – Insurance Against Injury to Persons and Property	13.014
(a) Clause 19(2)	13.020
5. Clause 20 – Insurance of Works Against Accidents of Fire, Lightning, Explosion, etc	13.021
6. Summary of Clauses 18 to 20	13.024

CHAPTER 14 CERTIFICATES

1. Overview	14.001
(a) Types of certificates	14.001
(b) Function of a certificate	14.003
(c) Definition of certificate	14.004
2. Approval and Certificates	14.005
(a) Legal effect	14.005
(b) Interim payment certificate	14.007
(i) Principle of interim payment	14.007
(ii) Clause 30 of the HKIA form	14.009
(iii) Effect of an interim certificate in law	14.013
(iv) Error in certificate	14.014
(v) Conclusiveness of a certificate	14.016
(c) Non-completion certificate	14.018
(i) Late completion by contractor	14.018
(ii) Deduction of liquidated damages	14.020
(d) Practical completion certificate	14.023
(i) Practical completion determined by the architect	14.023
(ii) Events following issue of a certificate	14.025
(iii) Working definition of practical completion	14.028
(iv) Employer possession prior to practical completion	14.032

(e) Final certificate	14.033
(i) Function of the final certificate	14.033
(ii) Time limits for issue	14.034
(iii) Legal effect of the final certificate	14.035
(iv) Contractor's obligation to supply documents	14.036
(v) Conclusiveness of the final certificate	14.038
(vi) Employer not entitled to dispute quality: relevant case law	14.042
(vii) Maintenance certificate	14.051
(f) Certificate of making good defects	14.054
(i) Defects liability period	14.054
(ii) Schedule of defects	14.058
(iii) Effect of the issue of the certificate	14.059
(g) The granting of an extension of time	14.061
(i) Reasons for delay	14.061
(ii) Time limitations for granting an extension of time	14.063
3. Form and Sufficiency of Certificate	14.068
(a) Duties of the certifier	14.068
(i) Obligations of the certifier	14.068
(ii) Interim certificates	14.071
(iii) Need for impartiality	14.073
(iv) Reasonable satisfaction	14.076
(b) Attacking the certifier	14.078
(i) Issues relating to conclusiveness	14.078
(ii) Challenge in arbitration	14.079
(iii) Court's power to open up and review certificates	14.081
(iv) Not within jurisdiction	14.085
(v) Not properly made	14.087
(vi) Disqualification of a certifier	14.093
(vii) Impartiality	14.094
(viii) Immunity from liability	14.096

CHAPTER 15 MONEY

1. Introduction	15.001
(a) Payment overview	15.001
2. Types of Contract	15.004
(a) Lump sum contract	15.005
(b) Measurement contract	15.007
(c) Cost reimbursement contract	15.010
3. Interim Payments	15.011
(a) Interim payment procedure	15.011

(b) Period for honouring certificates	15.015
(c) Materials and goods	15.017
(d) The entire contract	15.020
(e) Consideration	15.024
(f) Substantial completion	15.029
(g) Non-completion	15.033
(h) Role of certifier	15.038
(i) Effecting a certificate	15.041
4. Variation and Valuation	15.045
(a) Overview	15.045
(b) Extra works	15.048
(c) Express or implied promise	15.052
(d) Authority	15.056
(e) Condition precedent	15.058
(f) Agreeing on the rates	15.060
(g) Possibilities for negotiation	15.064
(h) Consideration	15.067
5. Right to Withhold Payment	15.068
(a) 'Reasonable' approval of employer	15.068
(b) Damages as remedy for breach	15.071
(c) Relationship between contractor and subcontractor	15.073
6. Pay When Paid	15.074
(a) Payment by employer a condition precedent	15.074
(b) Dispute whether a contractor paid or not	15.077
(c) Ambiguity of term 'payment'	15.083
7. Nominated Subcontractor's Payment	15.088
(a) Bound to both main and subcontract	15.088
(b) Employer responsible for payment	15.090
(c) Insolvency	15.092
(d) Termination by the employer	15.103
(e) Termination by the main contractor	15.106
8. Retention Money	15.111
(a) Entitlement to retention money	15.111
(b) Deductions from retention money	15.115
(c) Whether proportion is due to subcontractor	15.117
(d) Whether retention money is kept separate	15.121
9. Non-payment and Remedies	15.122
(a) Non-payment and repudiation	15.122
(b) Contractor's right to determine employment	15.124
(c) Lien	15.126
(d) Trust	15.128

10. Quantum Meruit	15.130
(a) Payment not determined by contract	15.130
(b) Implied contract	15.131
(c) Assessment of reasonable sum	15.132
(d) Situations attracting quantum meruit	15.134
11. Set-off and Abatement	15.137
(a) Dissatisfaction of the employer	15.137
(b) Set-off and counter-claim	15.139
(c) Set-off when valid certificates are issued	15.140

CHAPTER 16 TIME

1. Overview	16.001
(a) Importance of timely completion	16.001
(b) Anticipation of delay	16.005
2. Construction Delays	16.007
(a) Delay claims	16.007
(b) Types and remedies of delays	16.009
(c) Excusable delays/compensable delays	16.011
(d) Excusable/non-compensable delays	16.012
(e) Non-excusable delays	16.013
(f) Concurrent delays	16.016
3. Critical Path Method Analysis	16.019
(a) Determining effect of delay	16.019
4. Extension of Time	16.023
(a) Effect of extension of time	16.023
(b) Obligation of contractor in claiming for an extension of time	16.024
(c) Importance of giving prompt notice	16.026
(d) Timing of granting an extension of time	16.030
(e) Grounds for extension of time	16.032
(f) Fault of neither of the parties	16.035
(i) Subclause 23(a) – force majeure	16.036
(ii) Subclause 23(b) – inclement weather	16.037
(iii) Subclause 23(c) – loss or damage occasioned by any one or more of the contingencies referred to in subclauses 20(A) or (B)	16.040
(iv) Subclause 23(d) – strikes, etc	16.041
(v) Subclause 23(g) – delay of nominated subcontractors or nominated suppliers	16.042
(vi) Subclause 23(j) – contractor's inability to secure labour, goods or materials	16.045
(vii) Subclause 23(k) – antiquities	16.046

(g) Fault of the employer or the architect	16.047
(i) Subclause 23(e) – the architect's instructions	16.047
(ii) Subclause 23(f) – lateness of drawings	16.048
(iii) Subclause 23(h) – Delay of artists or tradesmen	16.053
(iv) Clause 23(i) – inspection and testing of work	16.055
(h) Interference with contractor's progress	16.056
(i) Deferment of date of possession	16.057
(j) Degree of access that the employer is obliged to grant	16.058
(k) Obligation to appoint certifiers, nominated subcontractors, etc	16.060
(l) Remedy for delay	16.062
5. Liquidated Damages / Penalty	16.064
(a) Meaning of liquidated damages	16.064
(b) Purpose of liquidated damages	16.066
(c) Differentiation between liquidated damages and penalty	16.067
(d) Mechanism of liquidated damages	16.072
(e) Failure to insert the amount of liquidated damages	16.075
(f) Without liquidated damages provision	16.078
(g) Ambiguity in contract completion date	16.079
(h) Liquidated damages as the maximum claimable remedy	16.081
(i) Time at large	16.085
6. Contractor's Progress	16.089
(a) 'Regularly and diligently'	16.089
7. Loss and Expense	16.095
(a) Contractor's ability to claim	16.095
(b) Disruption claims	16.098
(c) Prolongation claims	16.101
(d) Submission of direct loss and/or expense claims	16.102
(e) Subclause 24(1)	16.107
(f) Mitigation	16.108
(g) Distinction between direct and indirect loss	16.109
(h) The remoteness test	16.119
8. Practical Completion	16.123
(a) Fit for employer to occupy and use	16.123
(b) Effect of issuing the certificate	16.128
9. Sectional Completion	16.129
(a) Provisions for phased completion	16.129
(b) Court will not alter clear agreement	16.132
10. Defects Liability Period	16.138
(a) Defects clauses	16.138
(b) Schedule of defects	16.140
(c) Exclusion clause	16.143

CHAPTER 17 QUALITY

1. Quality in Construction Contracts	17.001
(a) Growing importance of quality standards	17.001
(b) Principles of quality management systems	17.003
(c) Common law approach to quality	17.005
(d) Engineer's and architect's duties in quality control	17.007
(e) Contractor's obligation to fix defects	17.009
(f) Contractor's obligation to use materials and carry out work as specified	17.012
(i) Contractor's obligation for care and protection of work	17.013
2. Defects in Design, Materials and Workmanship	17.014
(a) Design	17.015
(i) Definition	17.015
(ii) Standard of reasonable care and skill	17.016
(iii) Standard of fitness for purpose	17.020
(iv) Design-build and turnkey contracts	17.023
(v) Fit for purpose when the work is designed by a contractor	17.028
(vi) Employer's reliance on contractor's skill	17.030
(vii) Contractor's duty to warn	17.032
(viii) Analysis of implied terms dependent on express terms	17.036
(b) Materials	17.038
(i) Specification of materials	17.038
(ii) Quality control measures	17.039
(iii) Application of implied warranty as to quality of materials	17.041
(iv) Circumstances where warranty of fitness may not apply	17.043
(v) Consideration of parties' intentions	17.045
(c) Workmanship	17.048
(i) Obligation to exercise proper skill and care	17.048
(ii) Distinction from warranty of materials	17.049
(iii) Determination of degree of skill required	17.051
(iv) Duty to warn of design defects	17.053
(v) Production of final result	17.055
3. Defects and Acceptance	17.056
(a) Defects	17.056
(i) Generally	17.056
(ii) Principle of complete performance	17.057
(iii) Defects detected at substantial completion	17.058
(iv) Defects detected prior to substantial completion	17.059
(b) Acceptance	17.061
(i) Periodic checks and approval of work	17.061

(ii) Liability for defects extends past receipt of full payment	17.063
(iii) Defective materials approved by the employer	17.066
4. Maintenance and Certificate	17.069
(a) Scope of maintenance period	17.069
(b) Whether the certificate is considered conclusive as to acceptance	17.070
5. Temporary Work and Permanent Work'	17.074
(a) Definition of temporary works	17.074
(b) Contractor responsible for the design of temporary works	17.076
(c) Impossibility	17.078
(d) Doctrine of frustration	17.083
(e) Unexpected difficulty no excuse for non-performance	17.085
6. Damages for Defective Works and Outstanding Works	17.087
(a) Cost of repair	17.087
(b) The employer has a duty to mitigate loss	17.089
(c) The employer is entitled to recoup additional costs	17.090

CHAPTER 18 TERMINATION

1. Termination of Construction Contracts	18.001
(a) Termination and determination	18.001
(b) Interaction between express provisions and common law rights	18.003
(c) No reliance on the termination clause of own default	18.006
(d) Differing consequences of termination under common law versus contract terms	18.010
2. Contractor Remaining on Site	18.013
(a) Right of the contractor to remain	18.013
(b) Employer's right to evict upon termination	18.015
(c) Injunction preventing termination	18.018
(d) Remedy in damages for contractor	18.019
(e) Illustration of issues: Hong Kong Housing Society v Hing Lee Construction Co Ltd	18.021
3. Repudiation at Common Law	18.022
(a) Non-payment	18.022
(b) Consequences based on the importance of broken terms	18.023
(c) Categories of repudiatory breach	18.028
(d) Significance of cumulative breaches	18.029
(e) Monies owed at time of termination may be recoverable	18.033
(f) Notice to perform	18.037
4. Contractual Termination	18.038
(a) The purpose of termination clauses	18.038
(b) The difference of termination under common law	18.039

(c) Formalities must be fully complied with	18.040
(d) Overlapping of contractual and common law termination	18.041
(e) Termination by the employer	18.043
(f) Termination by the contractor	18.046
(g) Reasonable exercise of the power to terminate	18.048
(h) Failure to proceed regularly and diligently	18.053
(i) When payment is unreasonably withheld by the employer	18.057
(j) Knock-on termination	18.058
(k) Contractual notice requirement	18.059
(l) Risk of an invalid notice	18.061
(m) Termination based on erroneously held beliefs	18.064
(n) Set-off and cross-claim issues	18.067
5. Rights upon Termination	18.068
(a) Kinds of remedies	18.068
(b) Rights of employer	18.070
(c) Interim rights	18.072
6. Construction Insolvency	18.073
(a) Overview of the insolvency procedure	18.073
(b) Impact of the main contractor's insolvency	18.075
(c) Standard provisions addressing insolvency	18.077
(d) Proprietary safeguard	18.078
(i) Direct payment clauses	18.078
(ii) Direct payment and insolvency laws	18.080
(iii) Abuse of insolvency regime to collect payment	18.083
(e) Contractual safeguard	18.085
(i) Plant and material ownership	18.085
(ii) Plant and material vesting clauses	18.087
(iii) Vesting clauses under Hong Kong standard forms	18.091
(iv) Effectiveness of property-vesting clauses	18.093
(v) Dispute over ownership	18.097

CHAPTER 19 STANDARD FORM OF CONTRACT

1. Standard Form Contracts in Hong Kong	19.001
(a) Introduction	19.001
(b) Use of standard contract documents	19.002
(c) Benefits of standard forms	19.003
(d) Problems with standard forms	19.004
(e) Main contracts	19.008
(i) Public works	19.009
(ii) Private sector	19.011

(f) Subcontracts	19.013
(i) Public works	19.015
(ii) Private sector	19.016
2. The 2005 Contract for Hong Kong	19.017
(a) Rationale for revision	19.017
(b) The 2005 standard form of building contract	19.019
(c) Contractor's obligations	19.023
(d) Power of an architect	19.025
(e) Variation	19.026
(f) Completion issues	19.028
(g) Nominated subcontractors and suppliers	19.031
(h) Final certificate	19.032
(i) Determination and dispute resolution	19.033
3. Certain Features of Standard Form Contracts	19.035
(a) Summary and review	19.035
(b) Acceleration and recovery of delay	19.036
(c) Risk of unforeseen conditions	19.037
(d) Impossibility	19.038
(e) Care of works	19.039
(f) Third-party interference	19.040
(g) Risk of legislative changes	19.041
(h) Payment issues	19.042
(i) Claims	19.044
4. The FIDIC Forms	19.045
(a) Background	19.045
(b) New underlying principles	19.048
(c) Certain features found in the FIDIC standard forms	19.049
5. The NEC Forms	19.056
(a) Background	19.056
(b) Rationale and structure	19.060

PART III

RESOLUTION OF CONSTRUCTION DISPUTES

CHAPTER 20 CONSTRUCTION LITIGATION

1. Features of Construction Litigation	20.001
(a) Operation of construction industry	20.001
(b) Common causes of disputes	20.004
(c) Characteristics of construction contracts	20.007

(d) Drawbacks of construction litigation	20.008
(i) Documents involved	20.009
(ii) Parties involved	20.010
(iii) Expert evidence	20.013
(e) Civil justice reform	20.014
2. Courts and Process of Laws	20.016
(a) Adversary system	20.016
(b) Initial proceedings	20.017
(c) Appeal proceedings	20.020
(d) General process of litigation	20.024
3. Pleadings	20.025
(a) In general	20.025
(b) Global or composite claim	20.029
(i) Need for detail	20.029
(ii) Contribution of separate causes	20.031
(iii) Failure to establish a causal link	20.034
(iv) Forms of global claim	20.038
(c) Scott Schedule	20.039
(i) Useful procedural device	20.039
(ii) Tailored to dispute requirements	20.042
(d) Set-off and counter-claim	20.046
(i) Counter-claim or defence	20.046
(ii) Common law and equitable set-off	20.047
(iii) Set-off under contract	20.050
(iv) Contractual limitation on right to set-off	20.051
(v) Abatement	20.053
4. Discovery	20.054
(a) Production of documents	20.054
(b) Determination of document relevance	20.056
5. Interlocutory Applications	20.064
(a) Definition	20.064
(b) Summary judgement	20.066
(i) Appropriate only when no defence to claim	20.066
(ii) Importance of set-off or counter-claim	20.070
(iii) Stay of proceedings to arbitration	20.075
(iv) Summary of court's approach	20.079
(c) Interim payment	20.080
(i) Application for interim payment	20.080
(ii) Conditional leave to defend	20.084
(d) Security for costs	20.086
(i) Award of security for costs	20.086
(ii) Balancing exercise for courts	20.091
6. Expert Evidence	20.096
(a) Role of expert evidence	20.096
(b) Admissibility of expert evidence	20.100

(c) Duties and responsibilities of experts	20.103
(d) Use of experts in stages of dispute	20.107
7. Trial and Preparation	20.113
(a) General	20.113
(b) Trial process	20.115
(c) Witness statements	20.117
8. Costs and Interest	20.118
(a) Court discretion to award costs	20.118
(b) Party and party basis	20.121
(c) Common fund basis	20.122
(d) Indemnity basis	20.123
(e) Interest	20.124
9. Settlement and Compromise	20.129
(a) Benefits of early settlement	20.129
(b) Settlement by voluntary payment of sum into court	20.130
(c) Settlement by Calderbank letter	20.131
(d) Open offer to settle	20.134
(e) Mediation	20.135

CHAPTER 21 CONSTRUCTION ARBITRATION AND ADR

1. Trend Toward Alternative Dispute Resolution	21.001
(a) Reasons for trend	21.001
(b) Features of alternative dispute resolution (ADR) in the construction industry	21.002
(c) Advantages of ADR	21.005
(i) Control	21.006
(ii) Speed	21.007
(iii) Lower costs	21.008
(iv) Flexibility	21.009
(v) Confidentiality	21.010
(vi) Lower hostility	21.011
(vii) Finality	21.012
(d) Goal of ADR	21.013
(e) Evolution of ADR	21.014
(f) Scope of ADR	21.016
(g) Facilitative processes	21.018
(h) Advisory processes	21.019
(i) Determinative processes	21.020
2. Dispute Resolution Adviser/Dispute Review Board	21.024
(a) Real-time dispute resolution	21.024

(b) Growth of dispute review boards	21.025
(c) Dispute review board process	21.026
(d) Elements essential for success	21.031
(e) Advantages of dispute review board system	21.032
(f) Drawbacks of the dispute review board system	21.033
(g) Development of the dispute resolution adviser system	21.034
(h) Objectives of the dispute resolution adviser system	21.035
(i) Dispute resolution adviser process	21.036
(j) Implementing real-time dispute resolution	21.039
(k) If the dispute is unable to be resolved	21.040
(l) Advantages of the dispute resolution adviser system	21.042
(m) Elements essential to success	21.043
(n) Conclusion	21.045
3. Construction Adjudication	21.046
(a) Definition and development	21.046
(b) Statutory adjudication scheme	21.048
(c) Operation of adjudication in practice	21.050
(d) International growth of adjudication	21.052
(e) The Hong Kong position	21.057
(f) Evaluation of the adjudication process	21.059
4. Construction Mediation	21.062
(a) Objective of mediation	21.062
(b) Distinction between mediation and conciliation	21.063
(c) Types of mediation	21.064
(d) Features particular to construction mediation	21.066
(e) Mediation in Hong Kong	21.067
(f) What is mediation	21.071
(g) How mediation operates	21.075
(h) Role of the mediator	21.078
(i) Why mediation works	21.081
(j) Why mediation fails	21.087
(k) Achieving outcome in mediation	21.091
(l) Preparing for effective mediation	21.096
5. Construction Arbitration	21.102
(a) Features of arbitration	21.102
(b) Arbitration and ADR	21.104
(i) Main difference to other forms of ADR	21.104
(ii) Advantages of arbitration	21.105
(iii) Final, binding decisions	21.106
(iv) International recognition of arbitral awards	21.107
(v) Neutrality	21.108
(vi) Legal representation	21.109
(vii) Specialised competence of arbitrators	21.110
(viii) Speed and economy	21.111
(ix) Confidentiality	21.112

(c) Arbitration Framework in Hong Kong	21.115
(i) International and domestic arbitration agreements	21.115
(ii) Objective of Arbitration Ordinance (Cap 609)	21.122
(iii) Application of legislation	21.123
(iv) Role of arbitral tribunal	21.126
(v) Role of the court	21.127
(d) Stay of proceedings	21.128
(i) Commencement of litigation where an arbitration agreement exists	21.128
(ii) Arbitration agreement declared null and void	21.129
(iii) Allegations of fraud	21.132
(iv) Non-occurrence of condition precedent	21.135
(e) Agreement to arbitrate	21.138
(i) Definition of agreement	21.138
(ii) Whether the agreement is in writing	21.140
(iii) Back-to-back agreements	21.145
(iv) Dispute over existence of an arbitration agreement	21.146
(f) Appointment of arbitrators	21.148
(i) Methods of appointment	21.148
(ii) Challenge to arbitral appointment	21.150
(g) Consolidation of arbitration	21.153
(i) Circumstances where consolidation is appropriate	21.153
(h) Court decision-making process	21.156
(i) Arbitration process	21.158
(i) Special features in construction arbitration processes	21.158
(ii) Commencement of arbitration	21.159
(iii) Appointing body	21.166
(iv) Name-borrowing procedure	21.168
(v) Hearing procedures	21.172
(vi) Special hearing procedures	21.177
(j) Challenging against arbitration awards	21.179
(i) Passive or active remedies	21.179
(ii) Court policy of minimal interference	21.182
(iii) Example of the court's approach	21.184
(iv) Appeal under s 5 of Sch 2 of the Arbitration Ordinance (Cap 609)	21.190
(v) Nema guidelines	21.194
(vi) Challenge under s 4 of Sch 2 of the Arbitration Ordinance (Cap 609)	21.195
(vii) Carl International (HK) Ltd v Ernst Komrowski & Co	21.197
(viii) Attorney-General v Shimizu Corp	21.202
(ix) Misconduct or misunderstanding	21.208
(x) Setting aside awards under s 81 of the Arbitration Ordinance (Cap 609)	21.214

Appendix A Reference Materials – For Application of Dispute Resolution in Construction Contracts	679
---	-----
