

I would like to thank Professor Christopher Gane, Dean of the Faculty of Law at The Chinese University of Hong Kong, for his patience and cooperation in helping to make it possible for me to write this edition. All my other colleagues at the same Faculty also deserve considerable credit for putting up with me.

On the production side, I would like to thank Jacelyn Johnson and Vanisha Sritharan, of LexisNexis Butterworths, for their support for and faith in the project.

I owe a special debt to Stankie Yap Hong Chai for all-round support in Hong Kong, which greatly assisted in the manuscript's finalisation. Finally, I feel compelled to thank my students at The Chinese University of Hong Kong, the University of New South Wales, and the City University of Hong Kong, from whom I have learned much.
