MEDICAL MALPRACTICE

by

Michael D. Brophy

Synopsis

Med.Mal.01 Preparing for the Deposition

- [1]—General Background
- [2]—Preparation by Plaintiff's Attorney
- [3]—Preparation by Defendant's Attorney
- [4]—Pre-Deposition Discovery
 - [a]—Obtaining Records
 - [b]—Photographs
 - [c]—Interrogatories
- [5]—Acquiring Medical Knowledge
- [6]—Interviewing Non-Defendant Doctors
- [7]—Organizing Medical Records
- [8]—Consulting with Independent Experts
- [9]—Physical Examination of Plaintiff
- [10]—Preparing the Defendant Doctor
- [11]—Preparing the Plaintiff
- [12]—Other Interviews
- [13]—Visiting the Scene

Med.Mal.02 Conducting the Deposition: Strategy, Tactics and Style

- [1]—Introduction
- [2]—General Tactical Considerations
 - [a]—Knowing Where the Deposition Is Going
 - [b]—Making Sure the Question Is Answered
 - [c]—Being Aware of Tense
 - [d]—Being Patient
 - [e]—Pursuing an Inquiry Even after Opposition
 - [f]—Taking Advantage of Opposing Counsel's Objections
 - [g]—Concluding the Deposition
- [3]—Strategic Considerations for Plaintiff's Counsel
 - [a]—Avoiding Exposure of Theories
 - [b]—Revealing the Information Gathered

MEDICAL MALPRACTICE

SYNOPSIS

[c]—Guarding against Attempts to Create a False Impression

[d]—Eliciting the Doctor's General Knowledge

[e]—Determining the Extent of the Doctor's "Recollection"

FORM NO. 1: Distinguishing between "Independent Recollection" and "Refreshed Recollection"—Examination of Defendant Doctor

[f]—Making the Defendant Your Expert

FORM NO. 2: Pitting One Defendant against Another and Making One Defendant Your Expert—Plaintiff's Examination of Codefendant Doctor

[g]—Cases Involving Multiple Defendants

FORM NO. 3: Defendant Doctor's Implication of Codefendant—Examination by Plaintiff

[4]—Strategic Considerations for Defendant's Counsel

[a]—Avoiding Being Misled as to Plaintiff's Theory of the Case

[b]—Getting the Witness to Exaggerate

[c]—Interrupting Unfavorable Answers

[d]—Inquiry into Plaintiff's Injuries

[5]—Using the Deposition for Other Discovery

[a]—Reviewing Medical Records

[b]—Obtaining Copies of Records

[c]—Authorizations and Stipulations

[d]—Using the Deposition for Introduction of Evidence at Trial

[6]—Other Considerations during the Deposition

[a]—Presence of Others

[b]—The Court Reporter

[c]—Dealing with a Difficult Adversary

Med.Mal.03 Plaintiff's Inquiry into the Defendant Doctor's Background, Training and Experience

[1]—Purposes and Means of Obtaining Background Information

[2]—Areas of Inquiry

[3]—Checklist for Background Examination

MEDICAL MALPRACTICE

SYNOPSIS

FORM NO. 4: Examination of General Medical Background of Defendant Doctor Where Qualifications Not at Issue

FORM NO. 5: Examination of Medical Background of Defendant Doctor concerning Doubt as to Qualifications to Perform a Specific Procedure

Med.Mal.04 Examination of Codefendants

FORM NO. 6: Action for Injuries Sustained during Surgery for Pacemaker Lead Replacement—Examination of Codefendant Doctor by Counsel for Codefendant Hospital

Med.Mal.05 Examination of Experts

[1]—General Considerations

[2]—Deposition of Examining or Treating Doctor

[a]—Generally

[b]—Examining One’s Own Expert

FORM NO. 7: Action for Failure to Diagnose and Performance of Improper Surgical Procedure—Examination of Plaintiff’s Expert Witness Neurosurgeon by Counsel for Plaintiff

[c]—Examining an Adverse Expert

FORM NO. 8: Action for Wrongful Death Allegedly Caused by Inadequate Hospital Emergency Procedures—Examination of Plaintiff’s Medical Expert by Counsel for Defendant Hospital

FORM NO. 9: Action for Wrongful Death Allegedly Caused by Inadequate Hospital Emergency Procedures—Examination of Defendant Hospital’s Medical Expert by Counsel for Plaintiff

FORM NO. 9A: Multi-District Litigation against Professional Football League Alleging Failure to Disclose Research Findings Linking Head Trauma Sustained During Players’ Careers with Subsequent Brain Injury—Deposition of “Teaching Witness” Retained by Plaintiffs for Purpose of Reviewing Players’ Medical Records and Educating the Trial Court Judge and Jury

MEDICAL MALPRACTICE

SYNOPSIS

- Med.Mal.06 Examination of Office Records**
- [1]—Generally
 - [2]—Office Procedures
 - FORM NO. 10: Inquiry into Office Records and Procedures in Action for Unnecessary Osteotomy—Examination of Defendant Doctor by Counsel for Plaintiff**
- Med. Mal.07 Examination of Hospitals and Institutions**
- [1]—Ownership of Hospital
 - FORM NO. 11: Determining Ownership of Hospital—Examination of Defendant Doctor Concerning Financial Interest in Hospital by Counsel for Plaintiff**
 - [2]—Examination of Hospital Personnel concerning Medical Records
 - FORM NO. 12: Examination of Hospital Administrator concerning Medical Records by Counsel for Plaintiff**
 - FORM NO. 13: Action against Hospital for Negligent Infant Care Leading to Retroental Fibrop'asia (RLF)—Examination of Hospital Administrator concerning Outdated Records by Counsel for Plaintiff**
 - [3]—Examination of Hospital Personnel concerning Malpractice
 - FORM NO. 14: Action against Hospital for Negligent Infant Care Leading to Apnea and Brain Damage—Examination of Staff Physician concerning Record Deletions and Identification of Physician's Entries by Counsel for Plaintiff**
 - FORM NO. 15: Action for Wrongful Death Arising from Aspiration Pneumonia—Examination of Hospital Resident by Counsel for Plaintiff**
 - FORM NO. 16: Hospital Administration and Corporate Liability—Cross-Examination of Plaintiff's Expert concerning Hospital Quality Assurance**
 - FORM NO. 16A: Negligence Action against Hospital for Mishandling and Causing Injury to the Body of a Deceased Patient—Examination of Defendant's Risk Management Coordinator by Counsel for Plaintiff**

MEDICAL MALPRACTICE

SYNOPSIS

FORM NO. 16B: Action for Negligent Treatment of Comatose Patient Resulting in Development of Multiple, Serious Pressure Sores, Sepsis and Premature Death—Examination of Staff Nurse by Counsel for Plaintiff

Med.Mal.08 Plaintiff's Medical History (Pre-Malpractice)

[1]—Generally

[2]—Medical History Checklist

[3]—Extent of Inquiry into Other Medical Conditions

FORM NO. 17: Action for Injuries Sustained during Laparoscopic Sterilization Procedure—Examination of Plaintiff concerning Prior Similar Symptoms by Counsel for Defendant Doctor

FORM NO. 18: Action for Unnecessary Leg Amputation—Examination of Plaintiff concerning Adequacy of Prior Treatment by Counsel for Defendant Doctor

FORM NO. 18A: Malpractice Action against Multiple Health Care Providers Alleging Failure to Timely Diagnose and Treat Recurrence of Squamous Cell Carcinoma—Deposition of Defendant Optometrist Who Allegedly Failed to Conduct Complete Examination Which Would Have Detected Signs and Symptoms of Post-Nasal Carcinoma Affecting Plaintiff's Vision

FORM NO. 18B: Malpractice Action against Multiple Health Care Providers Alleging Failure to Timely Diagnose and Treat Recurrence of Squamous Cell Carcinoma—Deposition of Defendant Radiologist Oncologist Who Allegedly Failed to Identify and Treat Early Signs and Symptoms of Post-Nasal Carcinoma

FORM NO. 18C: Malpractice Action against Multiple Health Care Providers Alleging Failure to Timely Diagnose and Treat Recurrence of Squamous Cell Carcinoma—Deposition of Plaintiff Who Continued to Treat with Personal Care Physician after Naming Him as a Defendant in Malpractice Action

MEDICAL MALPRACTICE

SYNOPSIS

FORM NO. 18D: Malpractice Action against Personal Care Provider (“Family Physician”) and Radiologist Alleging Failure to Timely Diagnose and Treat Recurrence of Squamous Cell Carcinoma—Videotaped Deposition of Defendant, Personal Care Provider to Plaintiff, with Whom Plaintiff Continued to Treat Even after Malpractice Claim Was Filed

Med.Mal.09 Critical Events in the Course of Medical Treatment

[1]—Generally

[2]—Examination of Defendant Doctor concerning Treatment of Plaintiff

FORM NO. 19: Action for Wrongful Death Arising from Unnecessary Surgery—Examination of Defendant Doctor concerning Non-Surgical Treatment by Counsel for Plaintiff

FORM NO. 20: Failure to Diagnose—Examination of Defendant Emergency Room Doctor by Counsel for Plaintiff

[3]—Examination of Plaintiff concerning Critical Events

FORM NO. 21: Action for Injuries Sustained from Delay in Diagnosis of Abdominal Obstruction—Examination of Plaintiff by Counsel for Defendant Doctor

FORM NO. 22: Action for Injuries from Infection Following Vasectomy—Examination of Plaintiff’s Spouse by Counsel for Defendant Doctor

FORM NO. 22A: Negligence Action against Hospital and Emergency Department Attending Physician for Improper Lumbar Puncture—Examination of Plaintiff by Attending Emergency Department Physician’s Counsel

Med.Mal.10 Conversations

[1]—Informed Consent

[a]—Generally

[b]—Authorization Forms

FORM NO. 23: Authorization for Anesthesia

FORM NO. 24: Permission for Operation, Procedure or Treatment

MEDICAL MALPRACTICE

SYNOPSIS

- FORM NO. 25:** Authorization for Blood Transfusion
FORM NO. 26: General Consent Form
[c]—Examination of the Defendant Doctor
FORM NO. 27: Discussion of Alternative Anesthetic Procedures—Examination of Defendant Doctor concerning Informed Consent by Counsel for Plaintiff
FORM NO. 28: Discussion of Surgical Risks of Laparoscopy—Examination of Defendant Doctor concerning Informed Consent by Counsel for Plaintiff
[d]—Examination of Plaintiff
FORM NO. 29: Discussion of Surgical Risks of Laparoscopy—Examination of Plaintiff concerning Informed Consent by Counsel for Defendant Doctor

[2]—Admissions

- [a]—Generally
[b]—Admissions by a Party
FORM NO. 30: Action for Misdiagnosis of Breast Cancer—Examination of Codefendant Surgeon concerning Conversations with Codefendant Treating Doctor by Counsel for Plaintiff
[c]—Admissions to a Party
FORM NO. 31: Action for Injuries Sustained During Laparoscopy—Examination of Plaintiff concerning Doctor's Admissions by Counsel for Defendant Doctor

Med.Mal.11 Post-Malpractice Medical Treatment

- FORM NO. 32:** Action for Mistreatment of Spinal Disease Resulting in Paralysis—Examination of Plaintiff by Counsel for Defendant Doctor concerning Post-Malpractice Treatment by Persons Other Than the Defendant
FORM NO. 33: Action for Injuries Sustained from Delay in Diagnosis of Abdominal Obstruction—Examination of Plaintiff by Counsel for Defendant Doctor concerning Post-Malpractice Treatment by Persons Other Than the Defendant

Med.Mal.12 Specific Areas of Medicine

- [1]—General Considerations

MEDICAL MALPRACTICE

SYNOPSIS

[2]—Anesthesiology

FORM NO. 34: Action for Injuries Resulting from Failure to Immobilize Patient during Surgery—Examination of Defendant Anesthesiologist by Counsel for Plaintiff

[3]—General (Internal and Family) Medicine

FORM NO. 35: Action for Injuries Resulting from Unnecessary Office Surgery—Examination of Defendant General Medical Doctor by Counsel for Plaintiff

FORM NO. 36: Misdiagnosed Pregnancy—Examination of Plaintiff by Counsel for Defendant

FORM NO. 37: Wrongful Death Action against Hospital's Attending Physician—Examination of Hospital Pathologist by Counsel for Plaintiff and Counsel for Defendant

FORM NO. 38: Class Action Alleging Diet Product Caused Formation of Gallstones—Examination of Defense Expert Gastroenterologist concerning Results of Published Research Project

FORM NO. 39: Action for Improper Oral Surgery and Lack of Post Operative Care — Cross-Examination of Plaintiff's Expert Pathologist

FORM NO. 39A: Negligence Action against Car Service and Treating Hospital Physician for Improper Emergency Department Care—Deposition of Plaintiff in Admitted Liability Action, Multiple Internal Injuries with Complicated Post-Accident Course of Treatment

[4]—General Surgery

FORM NO. 40: Action for Wrongful Death from Complications Following Ulcer Operation—Examination of Defendant General Surgeon concerning Decision to Operate by Counsel for Plaintiff

FORM NO. 41: Action for Wrongful Death from Complications Following Ulcer Operation—Examination of Defendant General Surgeon concerning Operative Procedure by Counsel for Plaintiff

MEDICAL MALPRACTICE

SYNOPSIS

[5]—Neurosurgery

**FORM NO. 42: Action for Negligent Rhizotomy—
Examination of Defendant Neurosurgeon
by Counsel for Plaintiff**

[6]—Obstetrics and Gynecology

**FORM NO. 43: Action for Injuries Sustained during
Laparoscopy—Examination of
Defendant Gynecologist by Counsel for
Plaintiff**

**FORM NO. 44: Action for Brain Damage Suffered by
Infant during Delivery—Examination
of Defendant Obstetrician by Counsel
for Plaintiff**

**FORM NO. 45: Action for Injuries Resulting from
Failure to Properly Monitor and
Respond to Progress of Plaintiff's
Labor—Examination of Labor and
Delivery Nurse**

**FORM NO. 46: Action for Injuries Resulting from
Failure to Properly Monitor and
Respond to Progress of Plaintiff's
Labor—Examination of Charge Nurse**

[7]—Orthopedics

**FORM NO. 47: Action for Injuries Resulting from
Misdiagnosis of Fractured Vertebra—
Examination of Defendant Orthopedist
by Counsel for Codefendant Hospital**

[8]—Pediatrics

**FORM NO. 48: Action Arising from Premature Delivery
and Negligent Neonatal Care—
Examination of Defendant Pediatrician
by Counsel for Plaintiff**

[9]—Thoracic Surgery

**FORM NO. 49: Action for Injury to Nerve during
Repair of Pacemaker—Examination of
Thoracic Surgeon by Counsel for
Plaintiff**

**FORM NO. 50: Action for Injuries Sustained during
Coronary Bypass Surgery—
Examination of Defendant Surgeon by
Counsel for Plaintiff**

[10]—Urology

**FORM NO. 51: Action for Injuries Resulting from
Transurethral Resection of Prostate—
Examination of Defendant Urologist by
Counsel for Plaintiff**

MEDICAL MALPRACTICE

SYNOPSIS

FORM NO. 51A: Action for Negligent Performance of Cystoscopy Resulting in Post-Operative Bleeding and Urinary Incontinence— Examination of Defendant Surgeon by Counsel for Plaintiff

[11]—Nephrology

FORM NO. 52: Action for Wrongful Death Following Percutaneous Nephrostomies and Kidney Surgery—Examination of Defendant Urologist

FORM NO. 53: Action for Wrongful Death Following Percutaneous Nephrostomies and Kidney Surgery—Examination of Plaintiff's Expert Urologist by Attorney for Defendant Urologist

[12]—Psychiatry

FORM NO. 54: Wrongful Death Action against Attending Psychiatrist Assigned to State Prison's Psychiatric Unit—Examination of Defendant Attending Psychiatrist by Plaintiff's Counsel

FORM NO. 55: Malpractice Action Converted to Wrongful Death Claim Following Death of Original Plaintiff— Examination of Decedent's Father Designated as Administrator of Estate and Plaintiff in Converted Action

Med.Mal.13 Concussion and Traumatic Brain Injury Litigation

[1]—Introduction

[2]—Concussion, Its Nature, Definition and Scope

[3]—Concussion and CTE Litigation

FORM NO. 56: Medical Malpractice Action Challenging Plaintiff's Treatment by Emergency Department Physicians— Deposition of Brain-Injured Plaintiff with Severely Limited Recollection of Medical Care; Questioning Focused on Extent of Residual Cognitive Loss
