

# CONTENTS

**ABOUT THE AUTHORS**

**XIII**

**PREFACE**

**XV**

## **1 INTRODUCTION TO APPLIED PROFESSIONAL RESEARCH 1**

What Is Research?, 2

Research Questions, 3

Nature of Professional Research, 5

Critical Thinking and Effective Communication, 6

Economic Consequences of Standards Setting, 7

Role of Research in the Accounting Firm, 7

Skills Needed for the CPA Exam and Practice, 9

Overview of the Research Process, 10

Step One: Identify the Relevant Facts and Issues, 11

Step Two: Collect the Evidence, 12

Step Three: Analyze the Results and Identify the Alternatives, 12

Step Four: Develop a Conclusion, 13

Step Five: Communicate the Results, 13

Data Analytics/AI in Accounting and Auditing Research, 14

Summary, 15

Discussion Questions, 16

Exercises, 17

## **2 AI'S IMPACT ON ACCOUNTING AND AUDITING RESEARCH 18**

Brief History of AI, 19

Emergence of Generative AI, 20

Large Language Models (LLMs): Development and Types, 20

Limitations and Ethical Concerns of LLMs, 21

Hallucinations in LLMs, 21

Performance Limitations, 22

Biases in Training Data, 22

Ethical Concerns and Responsible Use, 22

Legal Considerations, 22

Lack of Transparency, 23

FOR SCREEN VIEWING IN BPA ONLY

### **3 CRITICAL THINKING AND EFFECTIVE WRITING SKILLS FOR THE PROFESSIONAL ACCOUNTANT 32**

|  |    |
|--|----|
| Critical Thinking Skills,                      | 32 |
| Levels of Thinking,                            | 34 |
| Universal Elements of Reasoning,               | 37 |
| An Example of Using Critical Thinking Skills,  | 38 |
| Effective Writing Skills,                      | 39 |
| Writing as a Process,                          | 40 |
| Punctuation Primer,                            | 41 |
| Improved Writing Skills Required,              | 41 |
| Active Voice,                                  | 43 |
| Short Sentences,                               | 43 |
| Definite, Concrete, Everyday Language,         | 43 |
| Tabular Presentation,                          | 44 |
| Limited Jargon and Technical Terms,            | 44 |
| No Multiple Negatives,                         | 44 |
| Elements of Plain English,                     | 45 |
| Writing Effective Texts, e-mails, and Letters, | 45 |
| Writing Memos to the File,                     | 46 |
| AI's Impact on Communication,                  | 48 |
| Summary,                                       | 48 |
| Discussion Questions,                          | 49 |
| Exercises,                                     | 49 |

### **4 THE ENVIRONMENT OF ACCOUNTING RESEARCH 52**

|  |    |
|--|----|
| The Accounting Environment,                            | 52 |
| The SEC and the Standard-Setting Environment,          | 53 |
| Rules-Based vs. Principles-Based Accounting Standards, | 55 |

|   |    |
|---|----|
| Financial Accounting Standards Board,                       | 56 |
| FASB Strives to Simplify Standards,                         | 57 |
| Content of Authorities,                                     | 57 |
| FASB Due Process,   | 59 |
| FASB Conceptual Framework Project,                          | 61 |
| Statements of Financial Accounting Concepts Nos. 1–8,       | 61 |
| American Institute of Certified Public Accountants (AICPA), | 62 |
| Governmental Accounting Standards Board,                    | 63 |
| Other Organizations Influencing Standard Setting,           | 65 |
| U.S. Generally Accepted Accounting Principles (U.S. GAAP),  | 67 |
| The FASB Accounting Standards Codification™,                | 68 |
| Using Authoritative Support,                                | 69 |
| Reading an Authoritative Pronouncement,                     | 70 |
| Accounting Choices Have Economic Consequences,              | 72 |
| AI and Standard Setters,                                    | 72 |
| Summary,  | 73 |
| Discussion Questions,                                       | 73 |
| Exercises,  | 74 |

## 5 FINANCIAL ACCOUNTING RESEARCH TOOLS 6

|  |    |
|--|----|
| Accounting Research Online,                              | 77 |
| Database Research Strategies,                            | 77 |
| Step One: Define the Information Needed,                 | 77 |
| Step Two: Determine the Sources of Search,               | 77 |
| Step Three: Use Appropriate Search Methods,              | 78 |
| Step Four: View the Results and Manage the Information,  | 78 |
| Step Five: Communicate the Search Results,               | 78 |
| FASB Accounting Standards Codification™ Research System, | 78 |
| The Research Process,                                    | 80 |
| Locating U.S. GAAP Using the Codification,               | 83 |
| Examples Using the Codification,                         | 84 |
| SEC Accounting for Public Companies,                     | 85 |
| SEC Regulations and Sources,                             | 86 |
| The SEC's Published Views and Interpretations,           | 86 |
| SEC Staff Policy/Interpretations,                        | 87 |
| Accessing SEC Filings and Regulations,                   | 89 |
| Cases to Practice Accounting Research,                   | 91 |
| Data Analytics and AI for the Accounting Researcher,     | 92 |
| Summary,   | 94 |
| Discussion Questions,                                    | 94 |
| Exercises,   | 95 |
| Knowledge Busters: The Codification,                     | 98 |

## 6 THE ENVIRONMENT OF INTERNATIONAL RESEARCH 104

- International Accounting Environment, 104
- IFRS Structure, 107
  - IASB/ISSB/IFRIC Authorities, 109
  - IASB and ISSB Due Process, 110
  - Interpretations Committee Due Process, 111
  - IASB's Conceptual Framework, 112
  - Principles-Based Accounting Standards, 113
- IFRS Funding, Regulation, and Enforcement, 113
- International Financial Reporting Standards (IFRS) Research, 115
  - IFRS Hierarchy, 115
  - IFRS Access, 115
  - The Use of AI, 117
- Summary, 118
- Discussion Questions, 118
- Exercises, 119
- Accessing IFRS - IFRS Accounting/ISSB Sustainability Standards Navigator, 120
- Knowledge Busters, 121

## 7 OTHER RESEARCH DATABASES AND TOOLS 123

- Database Research Strategies, 123
  - Step One: Define the Information Needed, 123
  - Step Two: Determine the Sources to Search, 124
  - Step Three: Use Search Techniques and Tools, 125
  - Step Four: View the Results and Manage the Information, 126
  - Step Five: Communicate the Search Results, 126
- Commercial Accounting Databases and Tools, 127
- U.S. Accounting Research Tools, 127
- U.S. Government Accounting Databases, 128
- Financial Research Databases, 129
  - Leading Publishers of Global Financial Information, 130
  - S&P Capital IQ, 131
  - Mergent Online, 132
  - Other Financial Databases and Sources, 133
- Business Research Databases and Challenges, 134
  - Article Index Sources, 135
  - Other Specialized Research Sources, 135
- Legal Research Databases and Tools, 136
  - LexisNexis Database Products, 137
  - Westlaw Database Products, 138
  - Recent Legal Database Competitors, 139
- AI's Increased Presence in Databases, 139

|                                   |     |
|-----------------------------------|-----|
| Summary,                          | 140 |
| Discussion Questions,             | 140 |
| Exercises,                        | 141 |
| AI Questions and Exercises,       | 142 |
| Knowledge Busters,                | 143 |
| Appendix 7A-1: Website Addresses, | 143 |

## **8 TAX RESEARCH FOR COMPLIANCE AND TAX PLANNING 146**

|  |     |
|--|-----|
| Tax Planning, Goals, Challenges, and Databases,          | 146 |
| Tax Research Goals,                                      | 147 |
| Tax Research Challenges,                                 | 148 |
| Tax Research Databases,                                  | 149 |
| Primary Tax Authorities,                                 | 150 |
| Statutory Law: The Code,                                 | 151 |
| Administrative Law: The Treasury Regulations,            | 153 |
| Revenue Rulings and Revenue Procedures,                  | 155 |
| Lesser Administrative Sources (Non-precedential),        | 155 |
| Judicial Law: Court Cases,                               | 156 |
| U.S. Tax Court,  | 156 |
| Other Judicial Sources of Authority,                     | 157 |
| Steps in Conducting Tax Research,                        | 159 |
| Step One: Investigate the Facts and Identify the Issues, | 159 |
| Step Two: Collect the Appropriate Authorities,           | 160 |
| Step Three: Analyze the Research,                        | 163 |
| Step Four: Develop the Reasoning and Conclusion,         | 165 |
| Step Five: Communicate the Results,                      | 166 |
| Professional Concerns and Evolving Changes,              | 168 |
| Professional Standards for Tax Services,                 | 169 |
| AI in Tax Research,                                      | 170 |
| Data Analytics in Tax Research,                          | 171 |
| Summary,   | 172 |
| Discussion Questions,                                    | 172 |
| Exercises,   | 173 |
| AI Questions and Exercises,                              | 176 |
| Knowledge Busters,                                       | 176 |
